Mr. Howard, in his reply, stated that he would cheerfully continue the disman, however, intimates that he will resume his gates can return from Pittsburgh to Cleveland, lectures to the young men of this city, in the free. autumn.

Fire.-A fire broke out yesterday morning,between 1 and 2 o'clook, in the fancy millinery store of Madam Bonnaffon, on Market street .-Several engine and hose companies were prompt- engaged, yesterday, in placing the locomotive on ly on the ground, and the fire was soon extin- the track. guished; not, however, before a considerable quantity of goods were destroyed by the water .-The fire is supposed to have originated in one of will amount to near four thousand dollars, is partially covered by insurance. It is a matter of doubt how the fire originated, whether it was

evening. Mr. G. is an eloquent speaker, and, possessing, as he does, the most perfect control of his features, added to his magnificent voice language and graphic descriptive powers, he is well calculated for an apostle in the glorious cause in which he is engaged. Mr. Gough will

deliver another lecture this evening. A mixed-up day was yesterday. The sunshine was quickly succeeded by clouds, and they, in their turn, had to make way for the bright rays of old Sol. The streets, however, were not bur dened with dust; and, as a consequence, city travellers could pursue their occupations with more satisfaction and comfort than a few days

Miss Davenport.—This accomplished lady, we hear, will commence an engagement at the Theatre next week, which is the last she will fill in

this country, as she is about paying a visit to
Europe, in a professional capacity. Miss D. is
a great favorite in this city, and has been successful every place she has visited.

Firemen's Committee. The following are the names of the Committee of Conference and Inspection, of the Firemen's Association: Eagle, II. G. Moreland; Neptune, Geo. Funston; Vigilant, Jas. Irwin; Independence, Jas. Libby, jr.; Allegheny, H. Chignell; Niagara, Edward Kaye Duquesne, W. W. Dallas ; Relief, Geo. Geyer.

"Tis an ill wind," fc .- Many persons are making money by dislodging the drift wood, which has gathered round the plers of the bridges, and selling it. A great amount of valuable lumber has been removed in this way, and more will yet be, as the remains of several log and board rafts may be had without much trouble.

A Row occurred on Fifth street yesterday, between a party of negro women. In the melec, several of them were injured. One of the black Amazons was knocked down and otherwise injured. They were taken to the Mayor's office, where justice was dispensed to the satisfaction of all, except the oulprits.

Odd Fellows' Excursion.—The excursion party of the members of the order, from Massillon, the first harmonic party of the members of the order, from Massillon, the first harmonic party of the members of the order, from Massillon, the first harmonic party of the members of the order, from Massillon, the first harmonic party of the members and the order, from Massillon, the first harmonic party of the members of the order, from Massillon, the first harmonic party of the members and the order, from Massillon, the first harmonic party of the members and the order in the place and the rectail and the retail or goods basiness, and having made such arrangement in excessive to close out his stock by let subscriber being about to reliquish the retail or goods basiness, and having made such arrangement in excessive to close out his stock by let you have in the subscriber being about to reliquish the retail or goods basiness, and having made such arrangement in excessive to close out his stock by let you have will commence on Thursday, May let is tof July next, will commence on Thursday, May let is tof July next, will commence on Thursday, May let is tof July next, will commence on Thursday, May let is tof July next, will commence on Thursday, May let is tof July next, will commence on Thursday, May let is tof July next, will commence on Thursday, May let is tof July next, will commence on Thursday, May let is tof July next, will commence on Thursday, May le making money by dislodging the drift wood,

of the members of the order, from Massillon, will arrive this evening, in the express train.-Various arrangements have been made for the reception of their guests by the members of the

of them along this way, however, before long.

Good Music .- Miss Craft, and Messrs. Bosworth. Vogel, Laube and Harbold, are to participate in the Grand Gift Concert, to be given at Masonic Hall, on Monday evening next.

Dubufe's Great Paintings, of the "Temptation" and "Expulsion," open this evening at Philo Hall. These celebrated master-pieces of art were painted for Charles X, of France. The Celebration. -The Ningara Fire Company are to celebrate the opening of their new Engine

House, by a ball to-morrow evening, in their

It provides that any pers head of a family; a citizen of the United States; shall be entitled to enter one quarter section of unappropriated public land, provided he make affidavit that he or she is not the awner of any New Locomotive. - Another new Locomotive for estate in land, and has not disposed of any estate

> EUROPEAN NEWS! ARRIVAL OF THE STEAMER CANADA.

The Canada arrived at Hallfax last evening at six o'clock, from Liverpool, whence she sailed at 6 o'clock P. M. on the 1st inst, with 70 passen-The Atlantic arrived at Liverpool at noon on Thursday preceding the sailing of the Canada.
The Great Britain sailed on the 1st of May, at

10 o'clock, A. M. COMMERCIAL INTELLIGENCE. John B. Gough.—This gentleman lectured on Tuesday evening, to a very large audience, at Tuesday evening, to a very large audience, at Tuesday evening, to a very large audience, at Tuesday evening to a very large audience, at the tuesday evening to a very large audience at the tuesday and the tuesday evening to a very large at the tuesday and the tuesday and the tuesday at the tu we could not glean, from his senseless twaddle. dling 45. The sales to speculators were 18,000 bales, and for export 10,000 bales. The stock of American cotton on hand was 270,000 bales. The advices from America kept up the prices full for cotton. Hollingshead quoted less actively in the trade than the previous week, but an improving demand. The demand for speculation and export during the early part of the week was great, but the market was not well supplied. The prices were a shade lower for Orleans descriptions: subsequently there were large arricriptions: subsequently there were large arri-scriptions: subsequently there were large arri-vals, which caused less buoyancy. The market closed on Friday firm, at full prices. Last week the speculators were chiefly operating in ordina-

qualities, and the trade mostly in middling and CORN MARKET.—Notwithstanding a large fleet of vessels had arrived since Monday, few brought grain, coastwise or from foreign ports, and the the weather was extremely favorable, a depressing effect was observable upon the market, there was a slight advance, however, last week. McMackin quotes Wheat as having declined 1d; flour 3d; oats and barley lower.

The imports of Flour during the week, were 18,700 bbls., and of wheat 59,000 bushels. Sales 10,000 bbls. Western Canal at 20s; Ohio 21s;

Yellow corn 80s, white do 29.

Provisions.—The recent importations of Bacon are not yet in market. Beef in tierces, is quoted at from 5s to 10s advance, sales 4000 tierces. Lard dull, awaiting fresh arrivals. The importations for the week of Bacon, were 1300 boxes, and of Beef 2050 tierces; Lard 1200

Brokers, in consequence of no provision being made to pay overdue covpons.

The House of Commons was occupied on Wednesday with a measure proposing to abolish religious tests in the Scotch University. After a lengthened discussion, the measure was negatived by 15 majority.

In the House of Lords on Thursday, Earl Granville asked the Government if the honors which had been paid to Rosas on his landing at Plymouth were by order of the Government. Lord Malmsby gave an evasive reply. He believed no order went from his department, but said that Rosas was no common refugee, but had shown great distinction and kindness to British morchants. Whatever his cruelties in South Amersten the British government could not mark them

Rosas was no common refugee, but had shown great distinction and kindness to British morphalis. Whatever his cruelties in South America, the British government could not mark them by any stigms.

The Commons were chiefly accupied on Thursday on a motion to regulate the revenues of the Church. Leave was given to bring in a bill on this subject.

W. TIM, now offers for rate, in Eastern process, a large assuments of the alternation of dealers is invited. Also, Carpet Bags, and Ladles' Satchels.

FLENDID JEWELRY—Hood is now opening his Spring Stock of rich Gold Jewelry and Watches, Consisting of everything usually found in a Jewelry. Store, (some very fine,) which he will sell as usual, from 35 to 50 per cent. lower than Goods of the same and the subject.

d Church. Leave was given to bring in a bill on this subject.

The debate relative to preserving the Crystal Palace terminated by a vote of 103 against and 221 in favor of pulling it down. The demolition commenced on the 1st of May.

On Thursday the Chancellor of Exchequer brought forward a budget; it proposes no repeal of existing taxes, except a continuation of the income and property tax for a limited time. He income and property tax for a limited time. He estimates the income of the current year at 251,625,000, and the expenditures amount to 151,625,000, and the expenditures amount to 151 a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of a battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 2500 of the battle of three hours duration between 250

f a battle of three hours duration between 2500 of the British troops and a body of native mounaineers; the latter were defeated.

Louis Napoleon has taken the question of the confiscation of the Orlean's property from the Tribunal and submitted it to the Council of State, thus removing it from the constituted lecal authorities.

Letters from Rome mention that the Italian question has again become interesting in consequence of the complication of the difficulties be-

quence of the complication of the difficulties be-tween France and the Pope.
Incendiary fires rage with increased strength.
The Mediteranean fleet sailed from Toulon on the 7th. Her destination is unknown. The frigate Cumberland anchored in Nantucket Roads will be ready to sail to the Mediterranean the first fair wind. Penn and Commodore Stringham and Capt. Turner, fleet Captain, it is inderstood has orders for Greece to demand an explanation of the oppression of the Rev. Wm.

We have dates from Buenes Ayres to the 10th of March. All was quiet there. The subject of reducing the duty on foreign Flour and Wheat was being discussed.

The Municipal Governments were being formed. Don F. Castillanos had been appointed Secretary of Foreign affairs at Montevideo.

Business at Ruence Avres was quiet. iness at Buenos Ayres was quiet.

sweats great and morning
sweats great and increasing
in Yellow Wrappers.
If the AFFLICTED—The appearance in three
bottles of NUTALL'S SYRIAGUM is a new rain inedicine, from its novelly and direct opposition to the old
absurd and inconsistent ONE BOTTLE SYSTEM;
while its success, prepared in this manner, (each bottle
containing a different preparation), in curing the different stages which characterize Consumption, has established the welcome truth of the Curability of every stage
of Pulmonary Consumption.

Physicians approve of it because it is has a of Pulmonary Conscription.

Physicians approve of it because it is based upon correct Physiological and Pathological principles. The public approve of it, because it is Common Serie, and because they know from sad experience that one preparation will not cure the three stages of Consumption.—
The suffering, disappointed and discouraged invalid approves of it, because its principles hold out a reasonable Hope, and when he uses Nutall's Syriacum, his hopes are realized.
