the conversion of the lood into chyle. The Symptoms of Dyspersis are: loss of appelite, nau-sea, hear-burn, flatulency, acid, feeld or inodorous eructulons, a gnawing scheation in the stomach when empty, great costiveness, childness, paleness of the countenance, langour, lassitude, anwillingness to move about, lowness of spirits, papirations of the hear, and disturbed sleep. These symptoms vary in different in-dividuals and constitutions and in many cases bring on Aidney disease, dropsy, liver: complaint, such a debilita-ted condition of the whole body and a shattered state of the nervous system, that renders life burdensome. Surope, to the survey of the second s

Atting discuss, dropsy, iver complaint, and deplina-ted condition of the whole body and a shattered state of the nervous system, that renders life burdensome. Dr. Raddiffy's Allalize Digrestics Bitters are peculiarly adapted to the deranged condition of the stomach above alluded to, and if taken poreveringly, will restore it to a healthy condition. These Bitters are made of some of the most valuable materials of the Materia Michlea, and are prepared in a peculiar manner, known only to the proprietor. They do not contain any particle of al-cohol, and are perfectly safe in their operation on the human system. The most inactive and depraved condi-tion of the stomach is often relieved by one bottle--all sourcess, wind, pain, and depression of spirits, are en-tirely removed. How can a man be in health when that great reservoir is disensed. Correct the morbid state of the stomach by taking these Bitters, and Dyspepsia, with all its grim horrors, will fly from you.
