Rev. Mr. BRIGHT stated it was understood that this appropriation would meet current expenses of the year, and also allow us to take the necessary measures to secure the good consequent upon the re-opening of Burmah. A resolution was then put, that the papers be

printed and the Board of Managers authorized rance. to make an appropriation of \$125,000, which passed unanimously. After prayer, the Union adjourned.

The Union was opened with singing, and prayer by Rev. Dr. Swift, of Allegheny City. Dr. Tucker, the chairman, stated that Dr. HERRON, senior pastor of the First Church of this city, was present and wished to address the Union. Dr. H. returned his warmest thanks to the Union for their courtesy in passing the resolution of the morning, appropriating \$100 to make him a life member. He had, in the early part of his labors, been connected with the first J. Rawle on Covenants and Titte,

PRACTICAL Treatise on the law of Covenants for Tite. By William Henry Rawle. This work is devoted to the consideration of the Liabilities and Rights of Venders of Real Estate, arising from their Covenants for Tite. As such Covenants are, in some shape or form, introduced into nearly every conveyance of real estate on both sides of the Allante, it is hoped the profession may not deem unnecessary a work which has not rue a object their analysis and practical effect. In English treatises on the law of Vendor and Purchaser, the subject of Covenants for Title has allotted to it only a limited space, but there is a vast body of American authorities which have not hitherto received the classification and analysis which the importance of the sub-

DR. H. B. MYERS EXTRACT,

Dandelion, Wild Cherry and Sarsaparilla. Dandelion, Wild Cherry and Sarsaparilla.

THIS valuable medicinal preparation differs entirely from any simple catract of Sarsaparilla or compound of many of MOST CLEAN.

NSING MEDICINES, with others acting directly on the Kidneys, or having immediate reference to the relief and continued healthy operation of some internal organs. It contains articles which enter into no other preparation in existence, and IT IS UNRIVALLED
in purifying and refreshing effects, by any medicine in the world. It is put up IN LARGE BUTTLES, is very pleasant to the taste, and is more concentrated.

STRONGER, BETTER AND CHEAPER.

han any other in the market. Fersons who have laren adically cured by using two or three bottles. This is the only Compound in which Dandellon, Wild Cherry, and Sarsaparilla are so prepared to offer the peculiar virtues of each, in combination with pure extracts of other healing articles, in a highly concentrated state. Its ingredients are PURELY VICETABLE, and are such roots and barks as are found, though chiefly effecting certain parts, in their general tendency; to produce, the most cleaning and healing effects.

IT IS IMPOSSIBLE

To cure many ciscases. Dropsics, Kidney Complints, &c., draw off Watery Humors from the Blood, or corrupt and irritating secretions of diseased organs from the body, without the thorough operations on the Ridneys, as caused by this medicine. No other extracts even pretent to this effect. In fact, this very operation, for which it is particularly compounded, differs from all other preparations, and rakes it the best compound in existence.

in existence.

IN ALL CASES OF DROPSY, use this medicine.—
IN all relieve. It has cured when ille itself was despaired of. It contains articles that will cure, if anything can, and takes the only method to make permanent cures.

SHIP FEVER! SHIP FEVER!

To produce testimony in proof of the cure of this disnenicures.

SHIP FEVER! SHIP FEVER!

To produce testimony in proof of the cure of this disease is acknowledgedly new. The public haves old of all sense is acknowledgedly new. The public haves of any of the cure of this disease is acknowledgedly new. The public haves of all sense is acknowledgedly new. The public haves cure would seem almost a miracle, yet

SHIP FEVER HAS BHEN CURED,
And by the Great Vegetable Remedy, Dr H. B. Myors' Extract, Dandellon, Wild Cherry, &c., alone.

We select the following, as a specimen of the numorous testimonials to the efficiency of this medicine in Causes of this malignant disease, which we have to exhibit. TESTIMONY OF PHYSICIANS.

Francis Tiblinese M. D.; askillfal physician, residing in Buffalo, N. Y. and one who have devoted himself particularly to the study and cure of the Ship Fever; with almost every phase of which he is convergant; gives the following testimony in relation to the effects of this medicine, as prepared by himself:

"This is to certify; that I have used Dr. H. B. Myers' Extract of Dandellon, Wild Cherry, and Sarsapatilla; in my practice, in cares of a number of patients sick with Ship Fever, with very beneficial results. And I in my practice, in cases of a number of patients sick with Ship Fever, with very beneficial results. And I consider it a general curative in that disease."

palms of the hands and soles of he feet, expetitoration easy, copious, and straked sull blood.

SYMPTOMS.

Diarrhese, diminished feet, cough and morning sweats, great and increasing debility, frequent faining in Yellow Wrappers.

Tubercolar Consumption, it is spigned tellinium and swelling of the extremities.

TO THE AFFLICTED—The appearance in three bottles of NUTALLYS SYRIACUM is a new enain medicine, from its novelty and direct opposition to the old absurd and inconsistent ONE BUTTLE SYSTEM; while its success, prepared in this manner, leach bottle containing a different preparation), in enring the different success, prepared in this manner, leach bottle containing a different preparation, in curing the different success, prepared in the furnability of cerey stage of Fubmonary Consumption.

Physicians approve of it because it is based upon cortect Physiological and Fathological principles. The public approve of it, because it is Location on the preparation will not cure the three stages of Consumption. The suffering, disappointed and discouraged invalid approves of it, because it is Common Sense, and because they know from and experience that one preparation will not cure the three stages of Consumption, and uses the first bottle, his expectorum, difficult and painful, becomes free and easy, into cough sone get a well; the foreneous, will be sold, on the premises, that in the first stage of Consumption, and uses the first bottle, his expectorum, difficult and painful, becomes free and easy, into cough sone get a well; the sources, stating in his throat, lofarmmation, pain in his breast, side, head, beak, loging and immation, pain in his breast, side, head, beak, loging and principles and the composition of the surface of the surface of the proposition of the difference of the proposition of the proposition of the difference of the proposition of the proposition of the difference of the proposition of the difference of the proposition of the proposition of the proposition of the proposition of the proposition

P. M. DAVIS, Austioneer,

pearance, and at length disappears; his bowels become regular; his appetite returns; the flush in his check disappears; the burning heat inthe palms of his hands and soles of his feet are felt no longer; his cough now ceases; he recovers and is well.

If he is in the third stage, and uses the third bottle, his Diardner gradually ceases; his weak bowels become strong; his cough and other bad symptoms disappear; feeble digestion becomes strong and vigorous; his feeble digestion becomes strong and vigorous; his stomach recovers its proper tone, and creates new, rich and nourishing blood; his strength returns; his wasted body is clothed with feeth; his LIES IS SAVED, and he restored to health.

Each bottle of Nutall's Syracum has the Symptoms of the stage for which it is intended printed in front of the warpper, whereby every invalid, knowing his own symptoms, can judge for himself, WHICH BOTTLE HS RE-QUIRES; consequently no mistake can occur in some leeting the proper medicine.
