FEMALE WEAKNESS AND GENERAL DEBILITY.
Strengthening the weakened body, giving tone to the
various organs, and invigorating the entire system.

If the testimony of thousands of living witnesses, from
all parts of the country, can be relied upon, it is augunarly efficacious in curing all Humori, and restoring debilitated and broken down constitutions. It is purely
vegetable, in its composition, and so accurately comblack in its proportions that the chemical, botanical and
medical properties of each ingredient harmonically
unite to PURILY THE BLOOD.

It has removed many chronic diseases which has bafdied the skill of the best physicians, and has also cured
Canker, Salt Rheum, Erysipelas and Scrodula; which
Satsaparilla Syrups entirely failed to make the leastimpression upon.

It has been tested in many cases of CANCEROUS
HUMORS. The most obstinate Cancers have been
cured by this medicine. We say that it is a valuable
medicine in all Billous' COMPLAINTS. It removes
all obstruction in the circulation, rendering the Liver

medicine in all BILIOUS COMPLAINTS. It removes all obstruction in the circulation, tendering the Liver free, active and healthy. It removes Palifuiation of the Hearf, and relieves in all cases of Asthma, and may be used in all climates, and at all seasons of the year. This Syrap is propared only by C. Many preofs are here given, and we solicit an inquiry from the public into all we publish, tecling assured they will find them perfectly reliable; and the medicine worthly their best confidence and patronage.

From the distinguished Professor of Chemistry and Material String and the medicine worthly their best confidence and patronage.

Dear Sir: I delayed answering the receipt of your preparation, until I had an orportonity of witnessing its effects in my own family; or in the families of my friends.

This I have now done with a high degree of satisfaction, in cases both of adults and children.

I have found it, as its ingradients show, a powerful to medy for colds and coughs and pulmonary diseases.

They are thoroughly enameled inside and out and thus made impervious to air and indestractible. They are highly ornamental, and of a classic form, are light and portable, while they combine the greatest strength which metal is capable of, in a given quantity.

When properly secured with cement they are perfectly air-tight, and free from exhaltation of oftensive gauges. They cost no more than good wooden coffins, and are better than any other article in use, (of whatever cost) for transportation, vaults, or ordinary interments, as has been proven by actual experiments, and certified to by some of our most celentific men; also, by the Honorn-bies Henry Clay, Daniel Webster, Lewis Cass, and other distinguished Senators who have witnessed their merits, and whose letters, together with other evidences of their worth, may be seen at our Agents' Burial Case Depot, No. 374 Main street, three doors above Ninth, where we intend to keep on hand at all times, such a stock of all sizes and degrees of ornament and finish ar will suit the most diversibled tastes.
