JOSEPH LIPPINCOTT. WM. C. BAIR.
LIPPINCOTT & BAIR,
(Late Lippincott & Co.)
Manufacturers of Phœnix Fire Proof Safes,
Second street, between Wood and Smithfield.
ON Tuesday afternoon, July 23, 1849, the undersigned will be called upon by Messrs. Lippincott & Barr, to witness an honest and fair test of their Safes, at their Safe Factory. The furnace being prepared, the Safe was placed inside the furnace, the doors and some money, when the door of the Safe was closed and the fire kindled to a red heat, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the money contained with each heat was sufficient. The furnace was then pulled down, the Safe cooled, and door opened—the books, papers and money found in the Safe was as much out of the brass mountings. We therefore take pleasure in recommending the Safes manufactured by the public, as being, in our judgment, entirely fire proof.
