New Orleans, with a good many emigrant pas-sengers for Cincinnati, arrived yesterday mornreal states of the Akron Branch Rail-road have advertised proposals for the grading and masoury of its extension from Akron to its intersection with the Ohio and Pennsylvania Technol a distance of twonty-three miles. If a distance of the Union and from these mineral treasures she must build up a prosperity more splendid and permanent than if wrought from gold, for gold is the ultimate product of her iron.— Technol a distance of twonty-three miles. If a distance of these who died was a deck hand, from Cin-tedger.
