JOB PRINTING, of every description, excouted at the office of the Morning Post in beautiful style, and on the lowest terms. Particular attention paid to the printing of Posters and Programmes for Concerts and Exhibitions of all advanced \$4.

Meeting of the Demecratic County Com-mittee of Correspondence. Pursuant to notice, a meeting of the Democratic County Committee of Correspondence was held in the office of the Morning Post on Saturday, May 22, 1852.

After a full and fair expression of opinion from the members present, the following resolution, offered by M. C. Milligan, was adopted:

Resolved. That the Democratic citizens of the different. Townships, Boroughs and Wards, in Allegheny county, be requested to meet on Saturday, the 19th of June, at their usual places of meeting, to select delegates to represent them in the County Convention; to be held on Wedness in the County Convention; to be held on Wedness abundant; on the contrary, it is likely to betion, offered by M. C. Milligan, was adopted: in the County Convention, to be held on Wednes-day following, (June 23d.) at 11 o'clock, A. M.,

said ward.

the Public School House, in said ward. The Democrats of the Third ward will meet i Splane's building, in said ward.

On motion of Mr. Harper, it was resolved, that the Committee of Correspondence hereafter meet at the St. Charles Hotel, on the call of the Chair-

The Committee then adjourned.

GEO. P. HAMILTON, Ch'n. L. HARPER, Sec'y.

DESTRUCTION OF WHIG THUNDER. When Gen. Pierce was nominated, the Whige affected not to know who he was, but they sud- off from the mprket, in hopes of lower prices, are affected not to know who he was, but they suddenly recollected that they had attempted the same contemptable trick with Polk in 1844, and learning caution from the result of that campaign; they record round and pretended to know all about him—his history and habits from boyhood down to the day of his nomination; The hood down to the day of his nomination that the following officers.

The hood down to the day of hi

municated from Concord, N. H. noon, all here were thrown in great confusion by the telegraphic report that our neighbor by the telegraphic report that our heighbor Frank Pierce, had received the nomination at the Democratic Convention at Baltimore. Not a The Boston Commonwealth of Monday morning man in Concord could believe it. What an idea! Bottle!" a candidate for the Presidency of the

e disgraced by such a man."

York, remarks: thousand Demogratic speeches." But the following remarks from the editor of

the Fountain, the temperance organ, will show 5's @ 973; Pennsylvania B. B. 448. how infamous is the charge made against Gen. Pierce. The political leanings of the Fountain are all with whiggery, but the editor is an hon- May: est advocate of temperance, and he cannot withhold his praise from one engaged in the same worthy cause with himself. He says:

"The Hon. Franklin Pierce, of New Hamp-shire, is the Democratic candidate for President of the United States. Outside of his politics, we always liked that same Frank Pierce. He is a man of noble impules—with a heart as big as a pumpkin, always ready with kind offices—generous sympathies, and good deeds. He is a polerous sympathies, and good deeds. He is a pol-itician, and as such may entertain some naughty sentiments, but about that politicians must enquire. As plain Frank Pierce, we know him well. and like him, too, and mean to for a while yet .the is a Temperance man, too. We have heard some of his noble; earnest and elequent appeals for humanity, and they took hold of the heart, encouraged and strengthened us in our toils among the Granite Hills. We hope he is a Maine Law man, though we don't know what the Times will do if he is—but at any rate, he is a noble fellow,

and thus, too, we will ever say of him, whether he gives us any office under the administration

inamuch as Greely had taken the temperance dust, and in the rate of exchange on our eastern schute, it would be just in his line to attend to offices:

sunied the virtue of being just to an opponent: LET JUSTICE BE DONE.—We now have satisfactory evidence that General Plerce advocated the abolition of the religious test in the New Hamp-shire Convention. So far so good; but that less than one sixth of the voters, and those princi pally whigs, in that very democratic State should have seconded the motion is marvellous indeed. But Mr. Pierce, if he is correctly reported, did advocate the change; so let him have full credit. We would by no means do him injustice in this

or anything else What will be the basis of the next slander upon the demogratic candidate we cannot divine, but we are confident that it will be as easily scattercd as those that have just exploded... WEEKLY MONEY ARTICLE.

We never knew a time when there was less demand for money in our city than there is at present. The lenders are decidedly more numerous than the borrowers. Our principal brokers tell us that their par deposits in Bank are larger now than at any former period. This, to them, is a matter of complaint, as they derive no profits from their dormant capital. Corrency is said to be very scarce, from the fact, we presume, that this is not the season for western merchants to visit the city to make their pur chases. Later in the summer, however, there will be an abundance of currency in circulation in our midst. Gold and silver coin are abun-

Stocks are still buoyant, especially those of our banks, which are greatly above par, as will burge City 6's have advanced \$6 within the last week. Allegheny 6's have also slightly advanced. Cleveland and Pittsburgh R. R. has

Money in all the eastern cities is very abundaut, and lenders continue to be more numerous than borrowers. The Philadelphia Ledger, of Tuesday, discour

ses thus: Money is very abundant, and every day th s more frequent of how it shall be in vested. A month ago, stock prices were thought to be too high, and thousands upon thousands of dollars were permitted to lie idle in bank, waiting a more favorable turn; and steadily, all the

> The Best Possible Remedy for Consumption.—DR. WISTAR'S BALSAM OF WISD CHERRY, is just the remety that a pure minded, unprejudiced man, thoroughly equainted with very system of practice, and well acquainted with the whole Materia Medica, and experienced in general practice, would recommend as the best possible remedy, for the cure of Coughs, Colds, Asthma, Broachius and Consumption.

samption.

This remedy contains the extraordinary medicinal virtues of the Wilt Cherry and the Fir, which are combined and embodied in their atmost power in this article. By a nice chemical process, everything deleterions or useless is rejected, 20, that, what remains, is the most extraordinary and truly educatious remedy for all kinds of palmonary and liver diseases ever known to man. Blindness Cared by Petroleum.—We invite the state of the afflicted and the public generally to the certificate of William Hall, of this city. The case may be seen by any person who may be skeptical in remaining to the facts there set forth. S. M. KIER.

"I had been afflicted several years with a soreness of both eyes, which continued to increase untillast September, (1850), the inflammation at that time having involved the whole lining membrane of both eyes, and ended in the deposite of a thick film, which wholly deat the deposite of a thick film, which wholly deat the complaint I made application performed, and the thickening rempered, which soon returned and left met in as bad a condition as before. At this stage of the complaint I made application to several of the most combined in the most continuent medical men, who informed me that 'my eyes would never get well." At this time I could not dislingtish any object. By the advice of some firends I commenced the use of the Petroleum, both internally addically, ander which my eyes have improved daily until the present time, and I have recovered my sight entire. onded in the deposite of a thick film which wholly de-atroyed my sight. I had an operation performed, and the thickening reingred, which soon returated and left me in as had a condition as before. At this stage of the complaint I made application to several of the most eminent medical men, who informed me that "my eyes mill never get well." At this time I could not distin-guish any object. By the advice of some friends from menced the use of the Petroleum, both internally add locally, ander which my eyes have improved daily until the present time, and I have recevered my sight entire-ly. My general health was now much improved by the Petroleum, and I stribute the restoration of my sight to ly. My general health was vory much improved by the Petroleun, and i attribute the restoration of my sight to its use. I reside at No. 102 Second street, in this city, and will be happy to give any information in relation to my case.
