LOCAL INTELLIGENCE. Daily Morning Post

FRIDAY MOBNING

WHERLY MONEY ARTICLE. We have but little to say in regard to money matters this week. Money is still abundant, and try; she landed at Philadelphia, and soon obthere is no difficulty in getting good paper cashed in bank or any of the banker's offices. The her carnings sent several small sums of money. rates of discount were never lower in Pittsburgh than they are at present. Good dividend paying stocks are still in demand, and prices are quite high, as will be seen his dissimulation and arts, succeeded in the ruin by referring to our tables. Bank stocks, especially, are greatly above par. In the Eastern and Southern oities money is

plenty as ever, and lenders are anxious for ous-plored him to give back the good name of which he had robbed her, and he finally promised to The Philadelphia North American of a late marry her at Harrisburg, if she would accomfor money in that city, but the rates remain un- phin, and on their arrival at Harrisburg, he changed. The New York Journal of Commerce, of Fri- town, where he deserted her-and, alone and

of the banks; many capitalists have fied from the above case to the Mayor. A warrant was the done in Foreign Exchange for Saturday, and with promise of marriage, which is rather a sewe do not learn as yet of any orders for specie." rious offence under the laws of this State.

The Baltimore Patriot of Saturday evening says: "We have no new feature to notice as to Grading .- We are glad to see that the Councils the state of the money market this week. The of A egheny city are about to issue proposals supply of first class paper on the street is not for grading many of the streets on that side o equal to the demand. It is now readily taken the river. The Councils at their last regular at 6(6)7 # cent. on dividends paying securities. meeting, passed an ordinance authorizing the Loans have been limited at 51@51 P cent." Committee on Streets to receive proposals for The New Orleans money market is more than the grading and paving of Craig street, from Bobinson street to Bank Lane; Water Alley, usually supplied with money.

tions are that this superabundance will continue. A large amount of floating capital has hereto-A large amount of hosting surplus of factors Common to East Lane; Washington street, from acceptances. This season these have not been East Common to east side of Bisseli's lot; and given out freely, and in consequence money is seeking investment. The rate of exchange on the Eastern cities and Europe has offered in-ducements, and harge amounts have been pur-

chased, but an effort on the part of sellers to raise rates has for the last few days closed this avenue for investment. Bills on England will rule high probably throughout the summer. The shipments of cotton are fast drawing to a close, ders. whilst large soms must be remitted for imports tions, to say nothing of the amounts required arrangements for the celebration of the "Glo-for the dividends, on American stocks held rious Fourth." the public of Mr. Pavne's Musibroad. WEEKLY REVIEW OF THIS MARKET. OFFICE OF THE DAILY MODIFIE POST. Friday, June 25, 1853. { The weather during the past week has been change- able, and part of the time quite unpleasant for business. The frequent rains have kepi our rivers in good navig- able order. Receipts by river are falling off as the sea- son advances. Business, if anything has been less act- ive than the week provious. Our markets have not ex- libited any material change, except a better feeling and more firmness in Bacon. We cannot now expect activity or revival in business until after the hot months. The news per steamer Ningars, from Liverpool noise cotton active at full prices; Floar, western, 20s; Obio 20s6d; yel- low Corn 39:63. Beef advanced 4: 9 tietce.
