All these bets must be taken together. We are not in favor of betting, but to oblige

ur friends, we publish those offered above. THE STRIKE among the bricklayers of Louisville, for the ten hour system, still continues .---The Joarneymen are determined to hold on to a major deneral of the United States Army, and used language opprobrious and insolent as the position they have taken. They are right in the principle they assert. But few men are cathe principle they assert. But few men are ca-nay converse with you on the subject. If you pable of enduring the hard toil they have to per-have lived in the world thus long in the cutire form, more than ten hours a day, and the prin-

ciple of common humanity should induce the employers to concede to the request of the workmen. A writer in the Louisville Union gives a bold opinion as to the cause of opposition. He in what school of philosophy you were taught

"The great secret of all opposition to thissys-tem may be traced to the institution of slavery. If the ten hour system was once established in all cities and towns, and throughout the broad land, white labor would be substituted for slave-

labor. The country would be substituted for save-labor. The country would be filled with opera-tives useful as citizens in their day and generation, and slavery, the consuming curse of the

and, would melt away like frost-work before the OHARLES KENT. Pittsburgh beams of the sun, and negroes would be driven back to the land whence they sprang. But the master of the elave has unlimited control over

JACOB McCOLLISTER, Pittsburgh. his time. He exacts the same amount of labor from his white employee that he demands of his

We think that if such sentiments were uttered in Pittsburgh instead of Louisville, the write would be called an abolitionist.

> WHO IS WILLIAM A. GRAHAM ?-The Cincinnat Commercial, which has an editor who is a fast man generally, said the other day : "Since writing the above the telegraph

So here we see how the present most distin-you were the author of the publication and reman who stood sponsor for the whig party when guished and highest admired Secretary of the Name how secretary in the present marks charged signing you, and to what extent. A reference to your letter, without any comment

your respect for another-respect for yourself should have taught you the necessity of replyso long as our reason is spared, we shall contin ue to believe the contrary. Daniel Webster i should have taught yon the necessary of the should have taught yon the inquiries I suggested; and more especially should you have done this, and more especially should you have done this, and is his superior pardon us, gentlement index and have fixed you almost immeasurably his superior in capacity, and so is index and the superior is a superior in capacity is a superior in the superior is a superior is a superior is a superior in the superior is a superior in the superior is a superior is a superior in the superior is a superior in the superior is a superior is a superior in the superior is a superior in the superior is a superior in the superior is a superior is a superior in the superior is a superior in the superior is a superior is a superior in the superior is a in attainments, in civil experience, in n -of slandering, and behind his back, a brother ness and stateliness of character, in moral cour-officer. But content with answering to what was age, in consideration and influence at home and ness and stateliness of character, in moral cour pose that I stand at all in need of your admoni- men all over the civilized world, and that it will

pose that I stand at all in beed of your admoni-tions, and too lightly of you to appreciate them as usefal. For good advice I am always thankful; but never fail to spurn itypen I know it to flow from an incompetent or corrupt source. The breast were base and guilty passions dwell is not the breast to virtue. My notions, sir, are not those now teacher between schools, and in factional to the stern stuff it is com-posed of to vibrate in unison. Daniel Webster, posed of to vibrate in unison. Daniel Webster, posed of to vibrate in unison. Daniel Webster,

taught in modern schools and in fashionable bigh life. They were imbibed in ancient days, and hitherto have and yet bear me to the con-clusion that he who can wantonly outrage the feelings of another-who, without cause, can we repeat it, is more fit to be President of the United States than Gen. Scott. But the nomination is made; the act is per-petrated beyond remedy; the rejection of Daniel we be the states than Gen. Scott. extend injury where none is done, is capable of either of the other, three Furies. The mass o ts resurrection. The many facts that we have published to the weakness and absurdity of your tinsel rhe-

The editor says he will support the platform and as the candidate is upon it, he will support him; but he likes the substance better than the date, at the head of his columns.

you have imagined it. To my Government, whenever it may please, I hold myself liable to answer, and to produce the reasons which prompted me to the course I took. And to the intermeddling pimps and price of the War De-partment, who are in the garb of gentlemen, I hold myself responsible for any grievance they may labor under on my account, with which you have my permission to number yourself. For what I have said I offer no apology; you have de-served i all, and more were it incestary to say Late and Interesting from Mexico. We have dates from Mexico to the 26th ult The papers announce the death of Gen. Mejia at México, and Gen. Michelens at Morelis. The tobacco monopoly remains in *statu guo*, and those interested in the contract have accomlished their end. Nothing was done before the adjournment served it all, and more were it necessary to say more. I will barely remark in conclusion that Congress to relieve the financial em f the government. The wires of the electric telegraph were near-

The wires of the electric telegraph were near-ly all up, and it was expected that by the ending of May the communication between Mexico and Vera Cruz would be complete. A sum of \$30,000 had been voted by the Sen-ate for the construction of a road from Perote to W Vera Cruz. From Niles' Register, April, 17, 1819. Senor Don Damon Prieto, of Tampico, the lib

eral candidate, has been elected governor of Ta-manlipns, over governor Cardenas, the present incumbent. There had been much excitement in Matamo ras it consequence of Governor Cardenas retu-sing to yield the office to his successor. The ed-itor of the Genio, and forty others, had been im-prisoned for commenting on the refusal of Car-denas, but subsequently released. To THE PUBLIC :---Gen. Scott of the Army of the United States, having, in a letter of the 2d January, 1818, to Gen. Jackson, insinuated that

Truth In & Nutshell. The Cincinnati Citizen has the following com-

having also concealed this imputatian from me until the publication of a pamphlet which reach prehensive paragraph relative to the position and prospects of the Democratic nominees, for the presidency: GENERAL PIERCE.

> "The habits and character of our nominee fo President will not cease to be scrutinized till the whole round of detraction, suspicion, and evil suggestion has been run by a certain class of po-liticians. One day, he is a bigot--another, he is a drunkard. One day, he is an abolitionistanother, he is a fogy and doughface. But every day some new occellence in the character of PIERCE, some unexpected qualification of our

ididate, makes the Der crat proud of what our National Convention has done for the coun-try. The day of election will be a day of demo-oratio triumph : and already the names of Pierre cratic triumph; and already the names of Pierce and King may be written as those of the next resident and Vice President of the United States, if they live till the 4th of March next."

Bonaparte's smootess as First Consul a certainty. The 17th was the anniversary of the battle of the The same work is also for sale at the periodical office of H. Miner & Co. Mr. Miner has also received the second series
