CORRECTION .--- In the communication publish-

For the Morning P's Temperance Convention, July 3, 1852.

Col. McKaig, one of the most prominent and Pop-ular Whigs in Maryland has renounced Gen; Scott, and taking the stump for Pierce and King. UEAR HINI-HEAR HIM! UEAR HIM I-HEAR HIM! Sour national independence at the Beformed Pres-byterian Church of Pine Creek, West Deer town-the Whig Party for Congress in Cumberland (Md.) last fall, addressed the Democrats of that city on Saturday evening last in behalf of the When he mounted the all of removing interperance for more midst. I was attended by about 1400 persons, and its exercises were such as to encourage and stimulate the friends of temperance to rigorous and removed action in prosecuting their high mines. I was attended by about 1400 persons, and its exercises were such as to encourage and stimulate the friends of temperance to rigorous and removed action in prosecuting their high city\_on\_Saturday evening last in behalf of PIERCE and KING I When he mounted the Platform he was received with deafening ap-plange. He gave the reasons for the failt that governed his conduct in the following pointed and foreible manner. We copy from the Alle-planian, and ask candid men of the Whig party, particularly, to ponder over the plain truths he asserts. That Maryland will east her vote for

A Big Screw Loose!

ular Why

isserta. That Maryland will east her vote for he demooratio nominees (Pierce and King) is how as certain as that Col. MoKaig will vote NCCandless and Col.S. W. Black, of Pitteburgh, the democratic nominees (Pierce and King) is now as certain as that Col. McKaig, will vote M Candless and Col. S. W. Black, of Pittsburgh, and from Rev. Ogden, of Glade Run, Batler Co. These gentlemen had been invited to be present and address the convention, but previous ar-rangements prevented their attendance. The letters and addresses breathed the same spirit of hostility to King Alcohol and a fixed determina-tion to preserve in average areas affected the same spirit of against Scott. But read what he says : "He [Col. McKaig] now found that the two parties had approximated very near to each oth-er in their political, platforms,-that the whigs the a party had given up, before the force of popular opinion, most of their old doctrines and measures of policy. The tariff was the only question of difference, and this, he contended, or tion to persevere in every proper effort till th evils resulting from the use of intoxicating ought not to be treated as a party measure, a

ocality had much to do with the information of The question involved in the approaching Presidential election, and which he regarded as and explained, were unanimously adopted, as Her maiesty Oneen. Vistoria has vetoed the rising above all others, was the maintenance of expressive of the sentiments of the convent s of the Constitution, and the Whereas, the signs of the times indicate the the compromises of the Constitution, and the progress of the temperance cause and encourage continuance of the Union. He saw General progress of the temperance cause and encourage continuance in the work of moral and religious Scott nominated by the nine Northern Atlantic States, with Gov. Seward of New York, and eform in order that our beloved land may be freed from the blighting influences of int Gov. Johnston of Pennsylvania at their head, aided by a few Southern votes. If we mistake ance in all its various aspects, the past year has not, of these nine States with 47 members pro- afforded evidences of a propitious character to sent but one whig was found in the House the good cause of temperance, as well as enof Representatives to vote for the Fugitive rolling several commonwealths among the family Slave Law, whilst nearly all the Dem ocratic of temperance nations by the enactment of the nembers who were present from those States Maine Liquor Law; our Legislature, and the Le-gislatures of some of the other large and more frigate to New York, with the various produc oted for the measure. He remarked that he believed, from personal intercourse and observapowerful States, were, by the power of popular tion, that two-thirds of the whig party in the North were abolitionists or Free Soilers; that sentiment expressed by petitions and memorials, nigh yielding to the demands of justice, mercy, ers; that they had nominated General Scott, and if he and peace. And whereas, we consider our Legislature, at

were elected there would be no security to the lanth-no assurance that the dangerous quesions settled by the Compromise would not be letter and spirit of progressive and conservative democracy in not granting the prayer of the ma-ny thousands of citizens asking the enactment of disturbed. That however sound Gen. Scott's views might be on the subject, the power from the North would be too strong for his vanity to withthe Maine Liquor Law; we ought not to be disstand. And in order to avoid the great impend-ing danger, he (Col. McKsig) with thousands of others similarly situated would vote for General couraged nor intimidated, as temperance men, from pressing forward in the path of duty. Our duty is plain in propagating and conserving a powerful sentiment on the subject, and in filling right premium our legislative halls with persons of proper moral Tom's Cabin. Pierce The Colonel was frequently interrupted and temperance habits, and thereby acting wor-thy of the cause in which we are embarked .-plaudits, and, after speaking for nearly an hour, left the stand amid lond and prolonged

Therefore, 1. Resolved, That we this day renew our temperance pledge, in convention assembled, and engage in our several localities to further the The loss of Mr. ABERCROMBIE, of Alabama; FATLEBER, of Virginia; STEPHENS & TOOMBS, of Georgia; TUCE, of New Hampshire, and cause of temperance by precept and example-Alabama, if they are recent losses, that in the accomplish WHITE. even if all the Whigs of those States should go will exert ourselves, and in combination, against our common enemy King Alcohol, and all his with them, would be no great calamity, as no same Whig expects the electoral votes of those hosts and minions-that we will employ temperance lecturers as means in propagating a wide-States for the Whig nomince .- Buffalo Express. The above is the most sensible admission

spread and proper sentiment on the subject of we have seen in a Whig paper for a long time. 2. Resolved. That we will continue our efforts Blessed are they who expect nothing, for veri-"Blessed are they who expect nothing, for veri-by every honorable and legal means to procure by they shall not be disappointed." If the edi-the enactment of the Maine Liquor Law by our tor from Mississippi, is now a zealous supporter ed on Saturday, in relation to the negro doggery tor had chumerated all the States that will not Legislature—that we will be prepared by next of Pierce and King.
