Ca. A. M'ANULTY & CO.,

Canal Basin, 498 and 410 Penn street, Pittsburgh.

Having increased our facilities and otherwise improved our arrangements for Transportation, we see now prepared to receive a large amount of Produce and Merchandise, to ship (on the opening of the Canals), with prompties and dispatch.

The Section Boat, system of transportation over our State improvements has been in use about ten years and the great success and favor it has met with, lea sufficient guarantee that it is no longer considered a doubtful or uncertoin experiment; but is acknowledged by all as vasily superior to any mode of transportation used on Canals, (when intersected by Railroads.)

Goods londed into our Boats of Pittsburgh, remain undisturbed until unloaded at our Warcheuse in Market street, Philadelphia, thereby cutricy avoiding the delay consequent on three different transhipments, and securing the delivery of Goods in entire lois, the packages clean, and in as good order as when shipped.

Produce, &c., consigned to our House at Pittsburgh, will be received and forwarded always at the lowest current canni rates, strictly according to instructions, without any extra charge for commission, storage, or advancing charges, &c.

Be it also remembered, that those complaints are but little understood by the profession in general, and that all the medicine in the world never has, and never will, stop those losses, which, if allowed to continue an checked, are sure to produced the most distressing consequence. checked, are sure to produced the most distressing consequences.

It has been a matter of surprise to some, that any one
of respectability end of protessional attainments should
devote his attention to diseases, which people of every
description pretend to cure so easily. If, however, but
the ona thousandth part of the miseries these people bring
upon society were known, a very different opinion would
be formed. And it is not only the present misery and
dejection, preying on the mind as well as the body, that
its deplored, but some are of such a nature as to affect
posterity, and even to destroy the reproductive faculty,
altogether. It is a fact that, when not properly treated,
they may remain so dormant in the constitution as to appear in no other way than in their effects upon posterity; altogether. It is a fact that, when not properly treated, they may remain so dormant in the constitution as to appear in no other way than in their effects spon posterity; yet, if properly understood, are most easily and speedily removed. The above, so ingeniously contrived instrument, will doubtless, in a great measure; contribute to check the evils of quarkery, so prevalent in this class of diseases, throughout the Union.

The price of the complete instrument, carefully secured against all observation in a box, is only \$10. It can be sent, by express, to any address in any pair of the United States, Canada, &c. according to order, accompanied by fail directions, and important advice to the married and single; the expanses, even to the reinotest Address, post paid, Dr. B. de Lancy, 51 Lispenard st., New York.

IJ Important to those Applicate with Hearia on Ropture—The invention of Dr. Huraria "Trues has rendered the cure of this dreadful disease," a matter of perfect certainty; and the man who will now allow a Hernia to proceed until a condition of things is produced that nothing can allowine but the knife of a skilful surgeon, is wholly inexensable. A rapture in its ordten remores the case perfectly immanageable, and leads to what is termed Strangulated Herrica, which often has no relief but in a sargical operation. In the Truss to which we invite the attention of the afflicted, there is every superiority over the trusses and bandages in common use. It is perfectly comfortable, and can be made to fit siny ease of Herrina with an executess and equabletiess of pressure that does not belong to any other instrument with which we are acquainted; and will retain any ropture with ease and comfort to the wearer.
