In Clinton county Ohio, they have a Boott gles in spirit of the "higher-law" element in the tailing in an unifacturers of Whig enable, which are great manufacturers of Whig enable, which are great manufacturers of Whig enable, which are open manufacturers of Whig enables, which are open manufacturers of the whigher law".
If the second provide the bootters of the whigh part, as headed read read with Sourd, it is hould be born of the Company, during however, the relative force has recently, and that the Seward, it is hould be born of the Company, during however, the relative force has recently, and that the Seward, it is hould be born of the Company, during however, the relative force has recently, and that the Seward, it is hould be born of the Company, during however, the relative force has recently, and that the Seward, it is hould be born of the Company, during however, the relative force has recently, and that the Seward it is hould be born of the Company, during how many, the while has now on a visit of the Commissioners of Laking, the while force has recently, and that the Seward it is hould be born the dow of the Seward, it is not im and that the Seward it fits not im producing that deperation which has many by the resent orders of the chards and four for the Seward. It is not im and that the force the seward is the dowing of the during the Seward in the adjournment of congress, and in the mean the during the Seward in the adjournment of congress, and in the mean the during the Seward in the dow sew of the Manufact for sew open for the Man should so far abuse the franking privilege as to be guilty of sending political whig tracts in the time every attention would be paid to their com-ster by Mr. Mabgum on the floor of the Senate.

adamant between him and any other policy than that of declared hostility to the whole Scott move-To us, as more spectators of this war between

well as the Whigs are taxed to defray such ex-penditure. Is it right, is it honest, to tax Dem-and many of them years to go further West-Mr. Webster hinself and Gen. Scott being laid ocrats to pay the expense of carrying whig elec- that they may be still more distant from civiliza- out of the question-the superiority in courage, tioneering staff from one end of the Union to the tion, as well as nearer the buffalo and other sagaaity and energy, must, beyond a doubt, be awarded to the managers and organs of the Scott interest. At the North, the rank and file of the game. Their efforts at cultivation have been very feeble, though they inhabit a fine country, whigs, as now organized, are without much doubt for Scott rather than Webster. At the Sputh, well adapted to successful agriculture. The the rank and file, even without regard to organitribe has a fund of \$80,000. zation, are clearly for Webster as again

15 The New Orleans Courier has the follow-

ing offer : Who wants to bet !--Here's a Chance! On most occasions the whigs do not allow a ngton Union. Presidential election to come off, without bragging in the betting line. It must be confessed, however, that no such ardor at present exists among our opponents. Be that as it may, we are authorized to offer them the following wagers:

NEW ORLEANS, August 18th, 1852. MR. EDITOR .- Having a little spare change, 1 propose for the benefit of my whig friends, t make the following bots, viz :-\$500 that Gen. Scott will not be elected.

100 " not get N. Carolina 100 " Louislana. " 100 eleo't voter \$100to\$500 " 5 States. 100 - 500 " " 6 do. 100 4 700 " " 7 do. 100 4 600 11 100 4 .500 17 S do. 100'41000 " one State S. c

Mason & Dixon Line. The money for the above will be ready at five LOCOFOCOS. minutes notice.

Sources or Population .- The current num ber of the New England Review, contains an elaborate article on the sources of the population of the United States, in which the writer arpeople in this country not Anglo Saxon by birth

or blood, is not over 4,668,736, while the Anglo-Saxon portion amounts to 15,000,000, the balance consisting of 3,594,762, of the African race-total 23,268,498.

A SIGN .- The Balston Spa (N. Y.) Mirror, honest FRANKLIN PIERCE in the Presidential which our friend C. B. COTTER, Esq., is to be hitherto a neutral print, is out for Pierce and Pongos. Editor. A good Democratic Journal is much King. The Albany Argus says :---"It is pub-needed in Indiana county, and we hope Mr. Cor-lished by Seymour Chase, and its editorial

columns, as well as its selections, indicate ability at the helm, of no common order-and a high capacity for usefulness in the Democratic cause.

o Courier tells of a federal orator who declares

It is not unlikely that a few days will bridg us new developments. Mr. Mangum's declaration of war must precipitate a crisis which has been for some time apparent and imminent.—Wash-ROCK OIL SPRING .-- The Morgantown (Va.) Mirror says there is a spring or well or rather a labaratory of Nature's own originating, near Hughes' river, in that county, from which Book Oil is extracted at the rate of a barrel a day .--The oil is closely intermingled with fine sand, several feet below the surface of the earth, and is seperated by washing-the oil of course rising to the surface, where it is readily gathered. It

solls from \$9 to \$16 a barrel, and is said to possess ourative virtues to a considerable extent .--Near it is also a fine sulpher spring. 527 In 1848; the Whigs thought it highly

of enquiry upon the subject of pay and extra pay received by Gens. Cass and Taylor. Now that the Democrats in Congress have thought proper to institute the same enquiry relative to

papers raise a great outery against it. The boot being on the other leg pinches, and those who wear it ory out from the pain it inflicts.
