THE WEEKLY POST

Of this morning is a most interesting number. It is filled with interesting matter from all parts of the country. Every reader will find it inter. of Philadelphia, and J. Ross Snowden, Esq., of esting, in the way of general news, and we are this city, the Supreme Court granted an alter certain that it cannot fail to please our demo- native mandamus at the instance of the Pennsylcratic friends with the vast amount of cheering vania Railroad Company, against Messrs. Gampolitical information it gives them. It is for ble, Morrison and Clover, the Canal Commissionsale at the counter.

"FURNACES OF THE DEMOCRACY." MESSES HARPER & PHILLIPS The Post of Tuesday had an article under the capit Country is Sefa.⁶ which escaped our notice until I send you a lotter addressed to me by a valued personal friend, Captain Presser, NEVILLE GUTURTE, Jate of the 11th Regiment, U.S. Army, lisbanded after the termination of the Mexican war. Captain Guthrie distinguished himself in all the battles of the Valley of Mexico. He was has hafter. We are in seriously wounded in the dreadful carange at im are scarcely ever heard, exister's joke about tar and feath Molino del Rey, and was breveted for gallant n; have ther ? W. conduct in the battle of Churubusco. ay arts for full closes, one may actually are hearly all of e-mainfacture of finis in that county are hearly all of st, and that the greater part of them have fallen und ammer of the Sheriff. When the latter were in fo baber had abundance of employment, and the farme From his youth up, he has been an ABDENT Wute, and I embrace the medium of your valuad a good market for everything they could spare, but t sol market for everything they could spare. But ho t sol Do the furnaces of Democracy, 'which are uo 1 to be in full blast, afford a good paying market, for pre and labor?. Do they enrich the country, bring comfor contentment into the dwellings of they be been and they are the space. talent, bravery and lofty patriotism of General nd contentment into the well as of the poor, or property) the orricultural charges?. The very opposite is the fact-ber full blass has blasted the prosperity of that fine county. root the fires of its furnaces, and depired its a hitherto bereful poor of the means of prosperity. Serve columns sherif a direct subscript PIERCE.

I have the honor to be, truly, Your obedient servant. WILSON M'CANDLESS. Perranunou, Sent 10 1859

Ameril 8 adjertisements aford a real commentary upon to bley of the party over whose blasting influence the Po tills in language that it would not be foo strong terms innelerize as dlabolient mockery. Could it not speak of th logs of its politicians in that county, without using a ligar with in the present exercise. CINCINEATI, Sept. 3, 1852. DEAR Sin: I have, as you are fully aware, ince I have had the privilege of vating, always of the grea

that has made Clarlon county rich and dis voted for and advocated whig measures and men; and I intend to advocate them until I shall be with so large an amount of this verbiage of the convinced that they are wrong. But, in the pre-Gazette. We had not room for it yesterday, and sent presidential question, I am fully convinces if we had we would not have oppressed their. of the honesty, integrity and ability of General stomache with it after taking the dose they had

Pierce; for I have known him personally, and feel satisfied that he is too, good a patriot and to swallow in giving an account of that "well inover of his country to allow any party feeling to formed Irishman." who has been caught by the influence him contrary to his good judgment, in the exercise of his prerogatives if elected, to the Gazette and its friends sway out in Illinois. detriment of his contry. I admire den. Pierce for his ability and modesty, and shall, if I live, give him my vote and do all in my power to get Can it be possible that the editor thinks that his stereotype twattle about putting out the fires of the farnaces, and seven columns of Sheriff's others to do the same. Gen. Scott's laurels as a hero are enough to sales in Clarion county, can fool the people at every annual election? His lamentation is the salisfy the vanity of any other man living; and, although the country is indebted to him for some same that he uttered before the last Gubernatoof its military glory, it has acknowledged the fact by placing him at the head of that branch rial election ; the same that has been kept up for years, and will continue to be kept up until the for which nature has so eminently belitted him. Further than this, I cannot go for Gen. Scott.

editor of the Gazette can become a trutbful chronicler of events. It would be labor lost on our part to notice the absurd bombast in which the editor runs in an from what little I saw of the two men, that Gen. offort to make himself believe that Clarton county esidency of these United States. is rained. We give our readers sufficient of 1

If I am wrong, it is not by desire to do injus-tice to Gen. Scott. I would not attempt to lowhowever, to cause them to laugh at his folly, and to excite their contempt for his numerous false er him in the estimation of his countrymen; but I would raise Gen. Pierce to the Presidency in Judge Meyers and his fanny son retailed th same kind of staff in '51; and what was the re-

sult? Why, an overwhelming Democratic majority in Clarion. The people gave as little credence to the statements of the itinerating Myers as they now concede to the foolish inventions of

said office.

money.

the Gazette, and every voice that reaches us gives full assurance that the Democratic furnaces in Clarion are in full blast, and that on the day of election they will turn out an extra quantity

of first rate Democratic metal. IMPORTANT CASES.
