We would like to hear from it on this subject,

for it will be interesting to its readers to know

how a community, who are all under the Sheriff's

A most excellent foeling prevails throughout a flast region towards the railroad enterprise. The Grand J ry of Clarico county, which was in assion at the tim prinningly represented promptly recommended a subscription on the part of th county of the full amount authorized by law, (105,000,) it the slock of the company, uncacumbered by law condition the clock of the company, outnorized by law, (163,000,) as to fection or route. This is really very liberal, situat as that county is with respect to stral routes. We learne this gratifying fast from a letter from a gentleman in Clar on, dated the 5th inst.

The people will remember that this large subthis case : scription comes from the county which the Ga-

zette has labored hard to persuade the people to believe has been rained by the tariff of 1846 .-How will the above contrast with the following which appeared in the Gazette of Thursday ?-

We were informed on Saturday by a whig candidate, that in addition to the Infant Drummer, the Whigs were in negotiation with the Scotch Giant, to travel through the country as a Scott patriot, and labor for the "good of the cause."-Some of them have been endeavoring to make the Giant believe that Scott is a Scotchman, but
