The Reason why Bennet, of the N. York Herald, goes against Gen. Stolt.

have felt bad when the great General would not

read the news because it was published in the

Herald. It must have been agonizing to her;

but she now has the consolation to know that the

Herald still survives, not withstanding Gen. Scott

has never read it, and would not look at it when

offered to him at the breakfast table in Newport.

This kind of "stuff" is the only "stuff" that

the whigs think will please the people and bring

them to vote for their candidate. This is the

kind of argument the whige think will carry Gen.

Scott into the White House. It is for the people

to decide whether insolence to a lady at a break

fast table at Newport qualifies a man for the ef-

fice of President, or indicates that he is capable

of dispensing the eminities that have uniformly

been observed in the presidential mansion. The

shove anecdote of Scott, quoted from a whig pa-

DE The columns of yesterday's Dispatch

were graced with a letter from the fellow

"Haynes." who made a fool of himself at

Brown's Hotel, while the Free Soil Convention

was in session in this city. The falsehoods sta

ted in his letter, if it were possible to pile them

Post, are all epochryphal. Nothing of the kind

ever occurred. The first time we ever saw him,

the boarders of the hotel at which he lodged

of fan we were pleased to see the transparent

hypocrite make a fool of himself, as he most

certainly is; and it did not require any great

length of time for those who listened to ascer.

tain that llaynes was not only a fool but a

fraudulent delegate to the Free Soil Convention.

were amusing themselves with him. Being fond

per; does not indicate that he is the man for

either canacity.

Two or three summers ago, Gen. Scott was spending as derval of leisure at that delightial resort, Newport. 1 journing there, one morning at the breakfact table one of the servants for a newspaper. A haly sittin a perfect stranger to him, reached across the table swapper in her hind, saying— ral. Scott, allow me to furnish you with the Net with vith a 1 York Herald.

Mork Havald," "I thank you, madam, very sincerely," returned the General, "for your kindness—but I never read the Heredd," "Do you knoss, etc." reiorical the lady, with the utmost in digmation painted on the countenance, "do you know, sit that I am the wife of Mr. Bennet, the editor of the Hereid?" *General's Coult—"A cortising did not know*, neadam, that with was the case, or I should not have been golfy or ma block the the case. hat the taxpayers have been robbed, and the reing the remark that has just passed my lips. But, made have said it, and it cannot now be recalled." port is abroad that Mr. Magillean tell who plusdered them. We therefore ask Mr. Magill and what is the object of this communication Oh, my! Won't every hody admire General Scott for his "gallant conduct on this interesting the Gazette, once more, for a fall, fair and intel-

occasion ?" The publication of it ought to seligible statement of the disappearance of the cure his election, or absurd displays of fuss and scrip. Nothing else will answer, an I at the same feathers, and an affectation of exclusiveness cantime it is desirous to know who had the keys of not catch the "simples." the room from which, as isal leged, the scrip was | country without defence, and the inhabitants at Gen. Scott "never read the Herald." We do

taken. not hesitate to admit the truth of his remark. for if he had, he might have learned some common

sense from it, and not incur the necessity of being placed under the care of a committee of conscience-keepers, as he is now. If this scene really occurred. Mrs. Bennet m

In a sterling papers, we presume the stream of the stream of

are wonderfully brilliant! "The whig fires are Scott after one burning brightly. The Scott men are active and ed the whole militin force; but the term of ser-sanguine." This is about the substance of all neither celled by described, and be has vice of a portion of it had expired, and he has neither called, by draught or for volunteers, for these "indications of public sentiment." Any any other further military force. He has, on person who will carefully read the extracts given the contrary, refused the acceptance of some that was offered, and has disarmed the militia of East by the Republic, must undoubtedly come to the Florida. When called upon, now, to farnish adequate conclusion that they were written by the same

hand, and were intended to humbug and deceive force for the protection of that frontier, he com-the readers of that namer. They bear on their plains of his limited means; when it is appathe readers of that paper. They bear on their rent, from the above statement, that his means are only limited by his discretion, and that he face evidence of frand, and show that the whigs are in a truly deplorable condition. They are only limited by his discretion, and that he has power at any moment to order any number evidently frightened, and like boys passing from Georgia or South Carolina. He admits that 3000 men are necessary to subdue these Indians, and that he has but 1000 under his through a grave yard, they are whistling to keep their courage up. We have no objections to this, command. Now, I ask why it is that he has not certainly. The whigs will only deceive themthese 2000 men in the field that he deems neces-

selves by such ridiculous bragging. Eary i If i, and he alone, is responsible for all the lives and property of the inhabitants that may be destroy-ed for the want of that protection and security which A Whig Ex. M. C. Converted to Demo-The Baltimore Argus, of Thursday last, pubevery clitten of the republic has a right to look for from his government. Added to this, the feelings of the people are outraged by representations lishes a long letter, written by Hon. Edward Long, late Whig member of Congress, of Somercalculated to degrade and expose them to ridi-cule throughout the United States. set county, Maryland, to James M. Buchanan,

Esq., of Baltimore, in which he renounces Whig-These people, you are aware, are sparsely set-tled over an extensive territory, in detached neighgory, denounces Scorr, and declares himself for PIERCE and Kiso. Mr. Long thus closes his letty. If upon the first sound of an alarm, some small neighborhood should go in pursuit of even "I have already, currents calamo, exceeded up, would make a pyramid more than double what I intended to reply to you, and have only the size of the two editors of the *Dispatch*. His statements of conversations, which purports to have taken place with one of the editors of the the editors of the double what I intended to reply to you, and have only to say that I shall support Pierce and King with perfect cordiality, having entire con-dence in their patriotism and ability, concur-Mr. Cottman. the present Whig member from out adequate protection, and has not a sufficient force either for offensive or defensive operations. Mr, Long's district, also supports PIERCE and King. Glorious Democracy ! He has produced a state of feeling that forbids all nony or concert with the local authorities or peo-

OCR STATE. - The Baltimore Argus says :-- A ple of the country; and the public interests imperi-ously require his immediate withdrawal letter from York, Pa , to a firm in this city, dat-I have the honor to be, with high considera. ed yesterday, says: lons of respect, sir, your most ob "All things look well here. Our Congression-al difficulty has been settled, and York county is To ANDREW JACKSON, President of the United States. right side up." Kurtz has been nominated una ndorsement on the back of the above letter For ourselves, we never doubted Pennsylvania.

PIERCE and KING will sweep the State by 20,000 insjority. Greeley and Johnston to the contrary notwithstanding. We are daily in the receipt of the most flatter-Florida. ing accounts from all parts of the State. Our True copy July 16, 1840. friends say they are hard at work, with the

brightest prospects in view. THE LOBOS ISLANDS .- Hon. Abbott Lawrence, our Minister to England, has written a letter to 107 Hon. W. A. Gorman, member of the the National Intelligencer, contradicting a statellouse of Representatives from Indiana, and one of the committee to investigate the causes of explosions and disasters on the rivers and lakes, was among the passengers on the Reindeer, and just previous to the explosion was standing on Great Britain. Mr. Lawrence says : the upper deck, almost directly over the boiler,

conversing upon that subject. While the landto any person connected with the British Goving was made at Bristol he went out on the I have received no communication from the Government of the United States rela promenade deck, and like the others there. tive to them. I have expressed no opinion about them. Nor, indeed, have I made an examinascaped without injury. Mr. Johnston, another member of the House, was also on the boat, and

tion to form an opinion." A WHIG ELECTOR BACKED OUT .- At the Car

tor The whig meeting at Erie, on the 10th inst., was a miserable failure, as we learn from the Observer, of Saturday. Although extensive arrangements had been made for an immense rowd, and large delegations were expected from all the surrounding towns and counties, yet, after all, not more people were present than Dan Rice's circus would gather in a few days' notice ! Why don't Gen. Scorr resign, so that he may no longer distract the whig party?

WASHINGTON ABRAHAMS, Esq., a gentle nan extensively known heretofore in Baltimore, great Democratic army. as a leading whig has addressed a long and able letter to Wm. P. SPESCER, Esq., President of the Third Ward Democratic Association of that

city, in which he avows his determination to vote for PIEBOE and KISG. Theory is still they for After all the fuss and thunder, the Democrats have a net gain of 860 votes in Vermont

since the last annual election, when the federal norning of the 24th, when he died. Mr Boyd has been committed to isil to await his trial for whig governor was elected by about 1250. Still we do not claim Vermont, and we hope Gen. the act.

The Hacogdoches Chronicle, and San Antonia Ledger, two independent papers of Texas, WM P. SUELL, Esq., of Fulton county, have been selected by the State Department at

same paper says that many thousands will leave England for Utah, ere long. A new joint stock bank for the Australian colonies is annonneed in London with a canof £500,000. Mr. Dancan Dunbar, a capitalist of large pecuniary resourses, is at the head of it. Other companies are about being organized for

> Freckles may be removed by the following ingredients made into a wash: One ounce of rectified spirits of wine, a teaspoonful of muriatlo acid, applied with a camel's hair pencil two or three times a day.

A new dress has been invented in Europe, called the costume royale, combining the mantle, gilet and dress in one garment, which may be slipped on and off without the least trouble, and yet preserve the most grateful ontline.

army being nothing less than ten hundred million strong! They are mosquitoes.

A swimming School has recently been established at Cincindati, where boys and grown persons are taught to swim by competent instrucborboods, without any dense population to fall sons are taught to swim by competent instruc-back upon, or without any fortified places in which to place their wives and children for safeour own neighborhood.

Several kegs marked "Lard," but found to smain neightornood should go in pursuit of even five Indians, they might as they did with Gen. Scott's grand army, dodge out of the way and fall back upon the women and children in the rear. It is unnecessary, however, to detain you contain spirits, were lately selved at Providence. A communication from Mrs. Partington, through a "medium," ssys: "This is rendering unto sei-zer the thing that are salar at ith these details; the complaint I make is, that zer the thing that are selzer's."

Rebolledo is raising recruits, and mas provising a kind of martial law which obliges all the in-habitants in the neighborhood to join him, under pain of death. The Trait d'Union thinks hostili-ties will soon re-commence between Rebolledo and the Government forces, a large detachment of which reached Jalapa from Vera Cruz on the 8th ultimo, and were enthusiastically received by the population. Gen. Echagavay had left Jala-
