THE WEBSTER BEBELLION. THE ISSUE We learn from the N. Y. Post that the scheme SCOTT, GRAHAM, 1 PIERCE, KING, for organizing a support of Webster has been tor organizing a support of websier has ocen AND AND AND taken in that city. A paper drawn up with this HOME LABOR, BRITISH GOODS taken in that may. A paper drawn up with ung view expressing the desire of the signers that a Webster electoral ticket should be nominated for the State of New York, is now handed about, and The state of New York, is now handed about, and

we hear that it has already received a consider-able number of signatures. By and by, when the list begins to look a little formidable, to to a form and form and form and form the list begins to look a little formidable, it is said that it will be laid before Scott's friends, structive Tariff agitation. It is sought by the through the press. leaders of Federalism to arouse the mechanic There is but one way, that we can see, for to convulse the country by political panic, and upon the prejudices and fears of many houses in the prejudices and fears of their favorite nathis difficulty and scoure the support of the mal-content partisans of Webster. The cause of the disstisfaction is and scotter and the success of the interpolation is an example of the tried before—and as often as is was attempted,

lissatisfaction ignot mercly that Webster has It failed, covering with disgrace those who labornot been nominated by the Whig Convention as ed to perpetrate the fraud. Their candidate for the Presidence , but that he we have heretofore shown that William A their candidate for the Presidency, but that he Graham, the Federal candidate for the Vice gives two hundred dollars to be divided into will not be allowed to hold his place in the Cab-inet, if Scott, by any chance, should be elected. Scott has his favorites, his personal friends, his warm political supporters to whom he owes his freshtrade man. During the discussion of that the first of the discussion of that the state of nomination; and among these he will naturally be inclined to distribute the executive depart-ments. He must need make a sacrifice of some of these preferences; he must offer to keep Mr. Webster in office; to retain him in the office of the source of the Secretary of State if he desire it; to send him tagonistical to his free-trade notions. He has in the stomach, with occasional spasms and a done so, because, as he declared himself, Northto England or France, if he prefers a diplomatic ern manufacturers had no claims upon Southern situation, and receive him back into the State Senators for legislative protection. We proved Department when he returns, or do anything all this from the record, and yet the federal press else that may be agreeable to him. In this way, strive to robe Graham in the garb of a friend of the American manufacturer, and with the fact of we doubt not, the matter may be amicably arwe doubt not, the matter may be amicably ar-ranged, the support of. Webster's friends secured for Scott, and all talk about a third electoral ticket affectually silenced.

ticket effectually silenced, tecting American industry. But all the facts history, and the records of the nation's legisla As long as no such arrangement is made, the friends of Scott may be pretty certain that the tare prove otherwise. Prove that Graham is the foe of every description of tariffs-prove that he insurrection against the authority of the Baltiis in favor of direct inxation to supply governmore Convention will go on. ment support and revenue-prove beyond con-troversion and doubt, that his past course and We have before us the Address adopted yesteruay at the webster Convention, held at Bos-ton. In the following passage it alleges the in-evitable exclusion of Mr. Webster from General Scott's onbinet, as the reason for rallying in his ferror.

restion. We do know, however, that he mad favor : "To the event of the success of either of the other candi-dates for the Presidency, the public life of the first statesman of the country [Mr. Webster] must be terminated. The un-traled intellect and lofty patrician which. Massachusetts has, for more than thirty rears, given to the councils of the country, must be forever withdrawn from every department no effort to secure the passage of the act of '42, and that he professed to be totally ignorant of the provisions of the bill of '42. With a nice application of his mental powers, he disregarded he study of dutics and the solution of figures,

as in most be forver withdrawn from overy department (Ino public service, it is rain to ask how this void is to be field. But if in nust happen, before the orilination of Provi-ence brings if upon as, is it o thing quite unworthy of feasenhusetts, this the host honces, which the ballot here to engage in the improvement of the naturaliza to angage in the improvement of the naturaliza tion laws, and invent plans which would scource by debar the emigrant from acquiring a citizen d be bestawed upon him who has bip unless carned by military or marine service. The federal press, however, present Gen. Scott as the champion of protection, just as Gen. Scott The Boston Courier, which seems to have taken

The solution of the issues of this counties the could adhere to be more like a day of "humiliation and prayer," than the too many politicians who come as usar to the

visit of the great whig standard bearer. He ar- practices of the Webster school as their position rived during the gloomy shades of midnight .- in the party will possibly allow. The fire bells were rung, and many of the mem-For the Morni bers turned out of their comfortable beds, but It is really amusing to look over the Whig pa-

when they heard that the fuss indicated the arpers of this city. The editors are driven to the rival of the General, they said it was only a wall for arguments wherewith to must the over-"fire in the rear," and went home to enjoy their whelming current of public opinion against their candidates for President and Vice President, and usual repose."

We cannot imagine why the whigs should enthe ward resolutions, writers and speakers, either denvor to keep Scott caged up in the manner through ignorance or design, are engaged in the they do, or why they conceal him in a mountain work of exposing the weak points of Whiggery. The editor of the Journal cries out lustily, pass to prevent him from entering a populous now and then, for the Tariff of 1842, notwithwhig city, in daylight, when those who are asked to vote for the man might see him and hear standing the Whig National Convention repudihim. But whiggery will not permit him to be ated the principles of Protection for Protection's sake, and adopted Polk's principles contained in seen by daylight at an hour when the people bave leisure to look upon his "magnificent proporthe famous " Kane Letter."

The editor of the Gazette, well known to be tions." and, accordingly, Gov. Johnson kept him exceedingly liberal in his religious views, and, at present, quite vociferous in the defence of the "Irish and Dutch Catholics," is "fired with in-dignation," because of the nomination of Judge at the Mountain House until it would be impossible for him to reach the city before all quiet citizens had gone to bed. At 12 o'clock "myself and the General" arrived at the Depot, nocompanied by six Whigs. There were several boys around the office who looked at the "Hero ed now by the whige of the Union, bother him breast, but with his arms tied behind his back of Lundy's Lane" with much interest. But there was one fall grown whig present, whose amazingly. The editor of the American is all for Scott

admiration was excited to an alarming extent, and he did not know how to work it off. After dancing around for a short time, almost choked with enthusiasm, he discovered a flook of geese reposing on the opposite pavement; he rushed across, seized a venerable gander (who did not enough for him. expect the distinguished arrival and had retired at the files of these papers for the years 1844 not know what to do.

to rest at an early hour) and bearing him in triumph to the car from which the General emerged, swung the gander over his head and called for "three cheers for fuss and feathers."___ The few whigs in attendance gave the cheers. the gander was dropped, the General thanked in the flag that Old Shunk did not tramp on. general, it is said, has done the same. him, and he went to his repose again in a rather bad humor, and the others went to the Monon-

Young Whigs, and they declared among other At the late State Fair at Utica, N. Y., twelve people," and what do you suppose the "old is-sues" are 7 Why, they declare them to be "the Ing machine and Mathematica Structure and Structur gahela House. We cannot help saying that this reception of Gen. Scott is disgraceful to our city, and extremely discreditable to the Whig party. He has Tariff, SLAVERY, the River and Harbor, and Land been slighted in a most heartless manner by those Bills." We thought the Bank of the United who profess to be his friends, and they have per- States, the Bankrupt Law, and the Distribution mitted-and perhaps instructed-Gov. Johnson of the Public Lands, and the Wilmot Proviso, to keep him hid in some of the mountain caves, were some of the old issues, but it would seem so that he could not be exhibited to the people that all the old politicians are dead, and that a of Pittsburgh in daylight. We say again that new race of leaders have sprung up in the Whig the treatment he has received from the Whigs of party, who do not exactly know what the "old Pittsburgh is disgraceful. Had he intimated to any member of the Democratic party that he in- edly houses in believing that their party has alissues" were. These young men are undoubttended to pass through Pittsburgh, he would have ways supported "the Tariff, SLAVERY, River and received a respectful reception, and not have | Harbor, and Land Bills."

Doubtless Scott and Graham are both Tariff moval or insertion of a loose platform, being the been hid in the Mountain House for the purpose of bringing him in at midnight. That he was and Slavery men. Scott was once "fired with kept at that hotel in company with Gov. John-indignation" at the free importation of Foreignson, is a fact, and it will be useless for the whigs ers, and was in favor of making a probibitory

FURTHER CONFESSION OF JANE WILLIAMS .- The to deny it. We have our information from those tariff on them. Graham thought the Tariff of Richmond (Va.) Republican states that before the who traveled with him to that point ; he desired 1842 did not discriminate sufficiently in favor of execution of this hideous monster, on Friday to proceed but these who had charge of him American manufactures, and he voted against last, she confessed to the Rev. Robert Ryland thought that it would suit their purposes to hide that Whig measure in the U.S. Senate, which that she was murderess of the child of Mr. Winhim for a while and not permit him to exhibit was all right, of course in him. But it seems ston that died some few weeks before Mrs. Winhimself to the people of Pittsburgh from the balcony of the Monongaliela House, in the glare of Presidential chair, undertook to vote and act in poisoned it by administering a tenspoonfal of

oony of the Monongahela House, in the glare of a setting sun. Gen. Scott has just cause to complain of the treatment he has received from his Whig friends. treatment he has received from his Whig friends President most unscrupulously. Should Graham a secret until after her execution, fearing that a in Pittsburgh, but we hope it will convince him happen to reach that same place, what do you mob would seize and destroy her.
