HIGHLY IMPORTANT DECISION IN THE SUPREME COURT eme Court, on Monday, Mr. Justice Gusson read the folowing opinion in the case of the New York and Erie Raiload. It is of much interest to our farmers and railroad | ted that it was taken from her at Leech's warehouse, in this companies. The case was an action brought by the plaintiff in error, to recover the value of a cow belonging to him which was run over by a train of cars in the New York and

Erie Railroad. Judge Gibson's remarks relative to the Court below follows

The charge was accurate in its outline, but not in its de-tails. As has already been said, there was no evidence of negligenco on the part of defendant; yet the criticnoc of it was left to the jury as a dobateable matter. In another part he even took the fact for granicd. "The simple fact," he said, "of permitting, for a limited time; the cow to wander on the railroad, would not, of itself be such hegigence, as to erense all negligence on the part of the de-fermant
