ANOTHER CLINCHER TO THE WHIG AP Dr. Guysott's Improved Extract of LIE ON THE CATHOLIC TEST. We find the following letter from the pastor o e Catholic church in Manchester, in the Hart

Manchester, N. II., Aug. 21, 1852: I consider it not only fair, but an act of grafude to Frank Pierce to exculpate him from any implied or expressed coldness in advocating the bolition of the New Hampshire "test." I say an act of gratitude, for I assure you there is not another man in America who more cordially detests bigotry and exclusiveness than he; no was there one in the convention of this state, who of energetically endeavored to secure the remo the "test." In the town meetings, called professedly for its abrogation or retention, he used all his brilliant eloquence to induce citizens to vote for its repeal.

I repeat that the Catholics of this state own aim a deep debt of gratitude, which he has un ntentially and frequently imposed on them.
When the Catholic churches in Philadelphis were in flames, he was the leader in calling a town meeting in Concord, and therein pleaded the cause of the Catholics, and particularly, the the cause of the Catholics; and particularly the safety of the Catholics in Concord.

When some three or four years ago, emissaries from the New York society, sympathising with the Portuguese who were said to be persecuted, visited Concord and called a meeting to
