The use of the Yellow Dock and Sursaparilla will prevent all this, and save a rest amount of misery, and many valuable lives, for it thoroughly expels from the system the land tonic, which is the seed of disease, and so takes of the curse by which the sins or misintumes of the parents are as often visited upon their innocent offspring.

Parents owe it to their children to guard them against the effects of maladies that may be communicated by descent, and children of parents that have at any time been affected with Compungation, Scredular or Syphilit, over it to themselves to take precaution against the disease being revived in them. Guyacit's Extract of Yellow Dock and Sersaparilla is a sure antidote in such cases.
