W. E. SCHMERTZ. tay prove interesting to some of our renders; may prove interesting to some of our guaders;

"A young man manued J. B. Crawford, of Pittsburgh, Pa.,
who has been but two months in this State, had three fingers and a portion of his hund-crushed at Whigham's mill,
at Gold Run; on Monday last. He was measuring a portion
of the works, and probably alipped, and his hand was caught
by the Cum, as it resided to lift his stamper. Dr. Clark amputated three fingers and a portion of the hand, but thinks
the thumb and foreigner will be saved. The young man
asted, after the amputation, to see his fingers, which being
shown to him, he remarked "There's my pile made sooner
than I expected." For Long Reach, Marietta, Farkersburg, and Gallipolis.

JOHN FLACE, Agent. city.

This property is well known as the most advantageous location for manufacturing purposes, as well as pleasant for
private recidences, being near the principal business and
ahipping part of the city; while coal costs one fourthless than
in Pittsburgh. Among the passengers by the Arctic are the Hon. Robe Walker, and Mr. Mattear, bearer of despatches. Gen. Scott leaves Albany to-day for New York. suppong part of the city; while coal costs one fourthless than in Pittsburgh.

It having been determined by all parties interested that so much of the above property shall be sold as may be necessary to liquidate all the liens against the same, capitalists and others are offered great inducements to purchase, as the shove must improve rapidly, and so favorable an opportunity may never be presented again to obtain desirable situations at low prices.

Flans may be seen at the Auction Rooms. Terms, one fourth cash, residue in three squal annual payments with interest, secured by bond and mortgage. Title indisputable, being direct from the Penn's and clear of all incumbrance, or no sale. octl8 S. CUTHBEET, General Agest,

Choice Stock of Flancs.

THE subscribor's now receiving a very choice lot of PIANOS, selected by himself, with great care, at the Factories in New York and Roston. Among others, several entirely new styles, of great elegance and beauty, will be opened. These instruments are unsurpassed for sweetness and volume of tone; and the style of furniture, is of an entirely new and superb design; the material used in their construction being of the most substantial and theroughly seasoned quality. Their durability, and capacity for standing in good time, in all climates, can be relied upon, and will be fully warranted. Furchasers, deshrous of buying a Plano Forte, superior at once in point of richness of tone, durability, and espace of design and furniture, are requested to call and examina, before selecting elsewhere.
