Canal Basin, 408 and 410 Penn st., Pittaburgh.

HAVING increased our facilities and otherwise improved our arrangements for Transportation, we are now prepared to receive a large amount of Produce and Merchandise, to ship (on the opening of the Canals.) with promptness and dispatch.

The Section Boat system of transportation over our State improvements has been in use about ten years, and the great success and favor it has met with, is a sufficient guarantee that it is no longer considered a doubtful or uncertain experiment; but is acknowledged by all as vastly superior to any mode of transportion used on Canals, (when luter-sected by Railroads.)

Goods loaded into our Boats at Pittaburgh, remain undisturbed until unloaded at our Warehouse in Market street. It constitutes at the same time the safest and most pleasant, and by far the cheapest treatment ever offered to the afflicted — fair price being allowed for the instrument, after the desired effect has been attained.

Be it also remembered, that those complaints are but little understood by the profession in general, and that all the medicine in the world never has, and never will, stop those losses, which, if allowed to continue unchecked, are sure to produce the most distressing consequences.

It has been a matter of surprise to some, that any one of respectability and of professional attainments should devote

mergetic remedy in these complaints.
