teliectual and moral character of each State in | "that said road are authorized to pay to the Union, says the democrats of that place became | I have often observed with what intense feelings of pride the citizens of Kentucky have in the Senate Chamber pointed to their Clay-the citi-the same until the said road shall be completed sens of Massachusetts to their Webster-the citizens of South Carolina to their Calhoun, citizens of South Carolina to their Calhoun, and the citizens of New York to their Wright. Alast these intellectual giants, like all things buman, have passed away. There is no State in the Union which can more

Justly indulge in feelings of State pride than more that therein, and this scatter may such successfully pennsylvania. Our calightened, persevering and determined by one Grand Jury of the proper and truly christian founder, immediately after he county, and upon the report of such Grand Ja-had obtained the Boyal charter, declared, in the ry being filed, it shall be lawfal for the County presidential \$25,000 every year. The health of Mrs. Pierce is too feeble for housekeeping, and be well laid at first." And truly God has blesshas borne the richest fruit. We have already Williams a respectable citizen engaged in the became a powerful and prosperous nation, and extensive manufactory at this place of coaches, united with thirty other confederate States; we united with thirty other confederate States; we tensive manufactory at this place of coaches, anibusses, and railroad cars. The house is a st beautiful frame building, shaded by a line miration of the world and the Star of promise in have formed a Federal Republic which is the ad-miration of the world and the Star of promise in law and probable benefits of the road were fully the West to millions of down-trodden men throughout the old world who are panting for the liberties which we erjoy. Besides, Pennsylvania is truly the Keystone of the Federal Arch; and

North and the South, with a population distin-guished for patriotism, steady good sense and a devoted attachment to the Constitution and the We wish to state, that so far as our feelings The vote of Lancaster County stands: Scott 11,636; Pierce 5,578—Scott's majority 5,058. This is the largest Democratic vote ever polled in that county. Bigler received 5,226 at the last Gubernatorial election—Democratic increase 352. The Democracy of Lancaster city polled 1,361 votes for President, being an increase of 148 eince the October election. Well done the home

the county, we have thought it highly proper, with which our founder was inspired, has been the county, we nave mought it night proper, before subscribing to said stock, to refer the whole matter to the people, and have their re-commendation or refusal; this is the ground we stand upon, and will not swerre from; if we are always carried into practice in Pennsylvania.---From the beginning, every man has enjoyed the

natural right of worshipping his God according to the dictates of his own conscience. No bigot in error, we are satisfied that no injury has been

only says it "shall be lawful;" this being the ship his Creator. Although there are events in our history which we may have cause to regret, yet, taken as a whole, the State has always been well and wisely whole, the State has always been well and wisely will be satisfactory to us, should the said road Judging

proper. Before closing this statement, we would beg

PERSONAL.—The family residence of the Pres-ident elect, the Portsmouth (N. II.) Chronicle informs us, will be in that city. The reason of his removal thither from Concord is, that his wife's health needs the sea air. The same paper some amount of annual revenue into our county treasury, in the shape of profits. Indeed the benefits are twofold; first, increase of worth of property along, and in the vicinity of said road;

and public spirit of our fellow-citizens. Nor have we confined ourselves merely to the develage of tax. The lessening of our county tax is a greatimopment of our physical resources. Every child born in the Common wealth enjoys the same right to a good common school education that he does to a good common school education that he does

to breathe the vital air, and everywhere temples and that promptly, in recommending said subarise for the worship of the Most High, erected by the voluntary contributions of a Christian The prosperity of our people. Why should we not then, in the language of

your toast, cherish "State pride, State fidelity, and State fraternity ?" In politics, from the very benefiting the whole, will meet with the approba tion of all the citizens of the county. nature of man, and of our institutions, we must • necessarily differ; but throughout all the vast

range of subjects on which we have a common ling, and common interest for our good old State, who should we not cordially fraternize JUSTICE TO GEN. SCOTT .- The brave old hero of Chippewa and Lundy's Lane has suffered a most signal defeat by the young volunteer gen-eral from New Hampshire; but it is gratifying to hear that Gen. Scott proves himself equal to the emergencies of this last and most disastrous The city of Philadelphia and the interior of the State are bound together by the strongest bonds battle. According to our latest advices from Washington, he falls back upon his post of Gen-eral-in-Chief of the Army, with the most pleasof mere cold and calculating interest, but let it be the happy union of mutual kindness and af-

It cannot be denied, though it is to be deploing equanimity and good humor. There may he continue to flourish, hale and vigorous, for the red, that mutual jealousies, to some extent, have hitherto existed between the city and the counnext thirty years, and longer, if he desires it.— He has rendered the most brilliant services in the field to his country, and it is a matter of pub-lic satisfaction that he is still the active head of try. These would pass away like the mists of the morning before the rising sun, if the people of both knew each other better. The oitizens of Philadelphia do not generally visit the interior the army. After all he did right to hold on.-He stands there, like a reserved corps of the old of their own State as much as we from the coun not be less than one thousand ! It will probably try ardently desire, or as often as the citizens of reach fifteen hundred !! The vistory is over. New York and Baltimore visit the interior of Imperial Guard, only to be called out when the rappel is sounded for a resistless charge upon their respective States. Come more frequently amongst us, and you will find that for cordial. the common enemy. He has failed, by an extra-ordinary conjecture of unlucky circumstances, to reach the White House: but he may yet prove to be on individual to the set of the amongst us, and you will have that for outday, genuine, heartfelt hospitality—for magnificent, grand and sublime scenery, Pennsylvania is not is not any State throughout the Union. to be an indispensable defender of Gen Pierce's administration. Who knows?—N. Y. Herald.

Like quarrels between man and wife, there have been, doubtless, faults on both sides. Let

tellectual and moral character of each State in the Union is, and must be, to a great degree, es-timated by the standard of the Senators whom she has selected to represent her sovereignty... I have often observed with what intense feelings of pride the citizens of Kentucky have in the Senate Chamber pointed to their Clay... Senate Chamber pointed to their Clay... Those states and interest shall be charged to the cost of construction, and continue to pay the same until the said road and not shall be charged to the cost of construction, and continue to pay the same until the said road shall be completed in THOMAS MOPYITT, 20 Fifth street... Sec. 3d, provides that certain counties may subscribe; among the same that of Allegheny.
