AVING increased our facilities and otherwise improve our arrangements for Transportation, we are have prepared to receive a large amount of Produce and Merchan dise, to ship (on the opening of the Canala,) with promptness and therefore.

dies, to ship (on the opening of the Canals,) with promptness and dispatch.

The Section Boat system of transportation over our State improvements has been in use about ten years, and the great success and favor it has met with, is a sufficient guarantee that it is no longer considered a doubtful or uncertain experiment; but is seknowledged by all as evastly superior to any mode of transportion used on Canals, (when intersected by Railroads.)

Goods loaded into our Boats at Pittsburgh, remain undifurted until unloaded at our Wareliouse in Market street, Philadelphia, thereby entirely avoiding the delay consequent on three different transhipments, and securing the delivery of Goods in entire lots, the package slean, and in as good ender as when shipped.

Produce, &c., consigned to our House at Pittsburgh, will be received and forwarded always at the lowest current can in rates, strictly according to instructions, without any extra charge for continusion, storage, or advancing charges, feb23
