132. The fame of this invaluable medicine has extended with surprising rapidity, only to be accounted for on the ground of its gress merit. One krial alone, is sufficient to establish its title as the only specific for Liver Complaint—
The following, from a New York tringgist, gives evidence of the high-estimation in which these Pills are held in that section of country.

15. Dr. Milane. Per 55.— Lhave, sold put all your Liver Pills, and am anxious to have another lot immediately.—
These Pills seem to take most wonderfully. I could have sold a much larger quantity, if I had been provided with them. The inhabitants are sending to Rochester for them but, whether there are any there or not, I do not know.—
Please send me another supply immediately.—
The increasing demand for this never failing remedy, for all Hepatic affections, has induced some unprincipled per soms to counterfult these Pills. The public are cautioned against such imposition. Take none but those signed C. M'Adie.
