KEYSER'S PECTORALSYRUP

> SUCH as OLDS, INFLUENZA, WHOOPING COUGH, CHOUP, HOARBENESS, COUGHE, BRONCHITIS, QUINZY, ASTHMA, INCIPIENT CONSUMPTION, and the various diseases having their origin in an inflamed, congested or torpid condition of the organs of respiration. This lifedlein, now offered to the public, under the above This Medicine, now offered to the public, under the above name, is a remedy of immense value in the dispases for which it is recommended, and has been used to considerable extent throughout this city, as well as in other localities, with a success that has rarely attended any medicine; not heralded throughout the whole country by the press.
>
> DIY. Keyser's Pectoral Syrupy.
>
> Is the prescription of a regular physician, who used it for several years in his practice, with a success unequalied by any other medicine in use, and if was only upon the great, and daily increasing demand for it, that he was induced to put if up in bottles, for a more general and extensive sale.
>
> We claim for the Pectoral Syrup that it is an ENTIRELY NEW. PREFARATION, differing in every respect from the various remedies now in use, for the diseases of the Pulmonary organs. IT DOES NOT SIGKEN THE STOMACH, by containing nanseating doses of squills, antiming, and ipsecahuana. It has in it no opiates to constipate the bowels, and dry up the secreting organs: but its action is wholly different from the scition of any of the above named drugs. IT IS AN EXPECTORANT, that clears out the tubes and air cells of the Lungs and Bronchia, in a manner that is not equalled by any other remedy. It dissolves, in a great measure, the greatly increased secretion of mucous, attending the various diseases of the air cells and bronchia tubes. It allays all irritation, almost as soon as it is taken, and it has been known to cure accurbed of averal weathy destance.

83 We furnish below a certificate, signed by a number of our own citizens, in proof of its efficacy: Read! Read!! Read!!!
We, the undersigned, having used Dr. Keyrer's Pectoral
Augh Syrup upon ourselves and in our families, do respectully recommend it to others as a safe and efficient medicine. recommended:
