THE FISHERY QUESTION IN THE COMMONS .- In gregor wished to make a few remarks on the pas-eage, in the speech, relating to the misunderstanding between this country and the United States, on the North American fisheries. He literate the traces they have left amongst the resaid not a word against what the government was low doing; but he adverted to it as a question of the greatest importance, one that might have involved the peace and tranquility of the two countries, have interrupted their commerce, and countries, nave interrupted their commerce, and have cut off our supply of cotton. His views on this question corresponded with those of Mr. Pitt, expressed immediately after the peace of 1783, in the first Presidency of Washington—

that the commercial and marine intercourse be-tween every part of the British dominions and he United States ought to be placed on the footng of a coasting trade When he looked at the progress of the great Anglo-American Republic, he found that, 93 years ago, the whole British population in Amerca was confined to a narrow strip along the shore of the Atlantic, and did not altogether amount o 1,809,000. The whole of this country was now ruled and governed by a people speaking the English language, and, though there were two governments in America, there was really but one people, and the policy that out to be pur-

over its own affairs, into the hands of the Spanchies the assertion of the infinitisimal, and conchies the assertion of the infinitisimal, and conchies as indiganatarticle, of half a column, by

The Dynasty of the Bonapartes-Deat of the Duke de Leuchtenberg. It is a remarkable circumstance that the same advices which apprise us of the installation of Louis Nanoleon as Emperor of France, convey information of the death of the Duke de Leuchtenberg, the second son of Eugene Beauharnais, Since the 1st of January, 265,000 immigrants and son-in-law of the Emperor Nicholas. The elder brother of this young prince died shortly after his marriage with the Queen of Portugal, witzerland is about to send, for the Washington in the flower of his age. The duke himself was National Monument, a block of granite cut from in his thirty-sixth year, and had acquired a position in the Imperial family of Russia, which There are 801 Lutheran ministers in the Uni- seemed to destine him to higher honors. His ted States; 30 in Maryland, 87 in Virginia, death is announced at the very moment when 224 in Pennsylvania, and 3 in the District of his cousin Louis Napoleon is ascending the imperial throne of France, and the only link which connected the Bonsparte family with that of Russia is thus dissolved. It seems, as if in spite of the extraordinary advantages of fortune which have followed the descendants of the Empress Josephine, some fatality interposed to prohibit the permanence of their bonors, and to ob-

> igning families of Europe. Bemarking upon this the London Times says :--"There is every reason to suppose that Louis Napoleon will guard himself as much as possi-ble against these contingencies, and that his marriage will follow very shortly upon his pro-clamation and accession. But it is an essential characteristic of the institutions which have late ly been imposed on France, that the security they confer is limited to the duration of a single life, f indeed that be not curtailed by the saxiety and the accidents of such a reign. The following are the names of the sons and

grandsons of the brothers of the Emporor, Napoleon I., whom Napoleon III., the newly created Emperor of France, may alopt if he has no male ohild himself: The sons of Lucien Bonaparte by his second

marriage, viz: — Charles Lucien Bonsparte Prince of Canino, and Ex-President of the Ro sued in regard to the whole navigation between man Constituent Assembly, aged 49. COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOP ING COUGH, CROUP, ASTHMA and CONSUMPTION. OF all the numerous medicines extant, (and some of them valuable.) for the curs of pulmomary complaints, nothing has sere been found which could compare in its effects with this Preparation. Others cure sometimes, but at all times, and in all diseases of the Lungs and Throst, where medicine can give relief, this will do it. It is pleasant where medicine can give relief, this will do it. It is pleasant to take, and perfectly ash in accordance with the directions. We do not advertise for the information of those who have tried it, but those who have not. Families that have known its value will not be without it, and by its timely use, they are secure from the dangerous consequences of Coughs and Colds, which, neglected, ripen into fatal consumption.

The Diploms of the Massachusetts Institute was awarded

The Diploms of the Massachusetts institute was awarded to this preparation by the Board of Judges, in September, 1847; also, the Medals of the three great Institutes of Art, in this country; also, the Diploma of the Ohio Institutes at Cincinnati, has been given to the Girmar Perronal, by their government, in consideration of the extraordinary excelence and usefulness in curing affections of the Lungs and Throat.

Rend the following opinion, founded on the long experience of the eminent Physician of the Port and City of ence of the eminent Physician of the Port and City of Dr. J. C. Ayer: Sr. Jonn's, May 8, 1852. Five years' trial of your CHERRY PECTORAL, in my practice, has proven what I foreswiften his composition must be true, that it eradicates and cures the colds and coughs, to which we, in this section, are pacularly lable. I think its equal has not yet been discovered, nor do I know how a better remedy can be made for the distempers of the Throat and Lungs.

J. BURTON, M. D., F. R. S. See what it has done on a wasted constitution, not only

Dr. Ayer:—In the month of July last: was attacked by a violent diarrhes, in the mines of California. I returned to San Francisco, in hope of receiving benefit from a change of climate and dist. My diarrhese ceased, but was followed by a severe cough—and much seveness. I finally started for home, but received no benefit from the voyage. My cough continued to grow worse, and when I arrived in New York, I was at once marked by my acquaintances as a victim of consumption. I must contess, that I say no sufficient reason to doubt what my friends all believed. At this

Yours truly, William W. Smill 12, 1848.

Dear Sir:—Feeling that I have been spared from a premature grave, through your instrumentality, by the Providence of God, I will take the liberty to express to you my gratitude.

A cough, and the slarming symptoms of consumption had reduced me too low to leave me anything like hope, when

reduced me too low to leave me anything like hope, when my physician brought me a bottle of your "PERTORAL". It seemed to afford immediate relief, and now, in a few weeks time, has restored me to sound health. If it will do for others what it has done for me, you are certainly one of the benefactors of makind.

Sincerely wishing you every blassing, I am

Voly respectfully, yours,
