"Why, what's the mather—aint the family all well?"

"Boed they dargent complein, barrin' the ould man hiself. Would ye believe li—the other night he was alsepin as quiet, and behavin' as gentale and paceable as any dacent man could do, in his own lawful bed, not meddlin' will any body, and me own self beside him—whin, what do ye think, a big thef iv them Rate bit him on the top to his toy! and, my darlint, it swelled up as hig as a trencher!"

"Och! meals-murther! ye don't tell me so!"

"Troth and! do tell you so—and! I was rickaminded till go down to Docthur Keper, and git a plasther."

"Well, Mra. Fogarty, ye kin kill two hirds wid one stone. Just ask him for a box iv Katiny's Rat Tokson, it only costs twinty-fave cents: use it accordin' till the directions, and I'll go yer ball for it, as sure as yer name's Fogarty, a Rat darsent show his ogly ming within a mile iv yer house, no more than he'd cut his threat!"

"Falth and that's selly done; and I'm very much obleged till ye, mam, for your advice. Good mornin' till ye, Mra. Maldoon."

"Good mornin', Mrs. Fogarty."

"No. 30 ree, such will be your yerdict; and if gon should return its of murder in the second degree, you will compromis is case of murier in the first degree, or in the second degree
say so in your verillet. If a knile is driven fire inches into
a human body, you will consider whether it was the intention of the assailant to scratch, and not to kill.

Was it wilful, deliberated and premeditated?
Was it wilful, or accidental? There was no pretence that
there was any accident, and it must have been wilful. Was
there a deliberated design to take life! If so, it was wilful,
deliberated and premeditated killing. And if defondant
was guilty, he was guilty of murder in the first degree.

The Supreme Court of Pennsylvania have decided that if
a man walks up to another, whom he does not know, and
with an axo, sword, rapier, or any other deadly instrument,
slays him, that is a wilfullact. For you must take it as
granted, that he intended to do as he did do. And if he did
not intend to do as he did do, he must prove it.

These cases were extremely disagreeable to the Court, but
the Court endeavored to discharge its duty to the best of its
and admitted to the court would charge you, first: there was not a
billity. The Court would charge you, first: there was not a
billity. The Court would charge you, first: there was not a
billity of investments, you heard the testimony; and was defendant
of a drunk enough to be finespable of forming a design? Not,
was he drunk. Dr. Gallagher says he has seen defendant
drunk, and it made him reckless of the consequences attending
the blow was given, it made no difference; and you will find
him as if he had been sober. For if he used an instrument
in the low was given, it made no difference; and you will find
him as if he had been sober. For if he used an instrument
in the low was given, it made no difference; and you will find
him as if he had been sober. For if he used an instrument
in the low was given, it made no difference; and you will find
him as if he had been sober. For if he used an instrument
in the low was given, it made no difference; and you will find
him as if he had been sober. For if he us our online, and neglect your duty. You might as well find defendant guilty of petty larceny, as of murder in the so TENNESSEE

DOTSUSM.

THE GREAT VEGETABLE REMEDY!

DR. H. B. MYEB'S EXTRACT!

Dandeleon, Wild Cherry and Savenparillis.

J. Hills valuable medical preparation differs entirely from J. Any simple "Extract of Savenparillis." or common purifying medicine. It is a compound of many most CLEANS.

ING MEDICINES, with others acting directly on the Kidneys or having immediate reforeme to the relief and continued healthy operation of some internal organs. It contains articles which enter into no other preparation in existence, and in purifying and refreshing effects, by any Medicine in the world. It is put up in LARGE BOTTLES; is very pleasant to the taste, and is more concentrated.

STERONGER, BETTER AND CHEAPER.

THEN MORER, BOTTLES; is the preparation in existence was a save found the combination with pure extracts of other healing articles, in a highly concentrated state. Its ingredients are purely very preached, and are such roots and barks as any found, though chiefly affecting certain parts; in their geheral tendency, to produce the most cleaning and healing effects.

To cure many diseases. Dropsies, Kikiney Complaints, &c., draw off Waters Houses for the Blood, or corrupt and if If notice it in regard to: the prisoner at the bar, in order tapply the principle of law to the testimony; and by that and testimony let the prisoner be judged. The Commwealth would be far more pleased at evidence leading to acquitted than conviction.

Judge M'Clure stated he had but repeated what had been need by other Judges, when such a class of facts was established. I repeat it, the Court is the expounder of the law—18 work is to be completed in forty numbers, at 20 conts a number. Miner has also received No. 18 of The No. 32 Smithfield street, have received No. 18 of The No. THE RATS AND MICE IN COUNCIL!

CHEAT consermation has been produced among the Chear consermation has been produced among the Chearant of Sax and Mice that infeat the city, in consequence of the introduction of REATING'S RAY, MOURE.

ROACH, and BED BUG DESTROYER.

Thousands have already been killed by this most certain and safe Rat and Mouse Destroyer, but there are thousands still in the cellars of this city, as well as in the granaries of the country, to the great destruction of property, that country to the great destruction of property, that country to be don Keating's Preparation. Rat's and Mice are not only destructive to valuable property, but they great some times destroy the lives of children by their bites. We would suggest to all who would get rid of these troublecome and, mails, to bry a box of KRATING'S DESTROYER, at once, and they will soon be missing. They may be destroyed, at this time of year, without producing the disagreemide small satendar upon the explosion of their, bodes, and a consequent decay of animal matter. In the spring, Kenting intends holding a Bat-lifection meeting of all the live rats in proof of the saturary effects of his hat and Moss Destroyer. This preparation, when used according to the directions, it recally extent by Rats and Mice, and willourtainly destroy them. THE RATS AND MICE IN COUNCIL! Marietta, Parkarsburg and Hockingport
