DEMOCRATIC NOMINATION.

STATE CENTRAL COMMITTEE.

A meeting of the Democratic State Central Committee Pennsylvania, will be held at the Merchants' Hotel, City Philedelphia on SATURDAY, the 27th day of Janua 1853; at 4 o'clock, P. M., for the purpose of fixing time and place of holding the next Democratic State (WM. L. HIRST. Chairman WM. CURTIS, WEISH, | Secretaries.

AUDITOR GENERAL'S REPORT. We are indebted to the Hon. EPHRAIM BANKS, Auditor General, for an early copy of his Report on the Finances of the Commonwealth of Pennteresting to every tax payer. It must be a mat-Commonwealth was never in a more healthy condition than at the present time.

THE GOVERNOR'S MESSAGE. We yesterday presented to our readers the Annual Message of Governor BIGLER. Wededitorial remarks, but were prevented from doing so from want of room. The Message is an dmirable State paper, and reflects the highest credit upon the Executive of our Commonwealth. It is written in plain, honeat English, without any flourishes or clap-trap verbiage. It is just full synopsis of this excellent Message:— The Governor, after congratulating the Assem

two of her greatest and most honored citizens, 000. CLAY and WEBSTER.

the year, amount to \$5,104,424 71. The pay- the speedy passage of the appropriation bills. four hundred thousand was devoted to the com- Legislature and throughout the State: the north track of the Columbia railroad. The Governor, in making the estimates for the State laws, in reference to the conveyance of incoming year, states that on the first of Decem- State to another. The Pennsylvania statute of ber, 1353, we shall find a balance in the Treas-ury of \$898,630, applicable to the payment of debts on the completion of the N. Branch Canal or Portage Railroad. When these two measures shall have been completed the executive states theref that all schemes of public improvement should sion be made for the transit of these domes be delayed until the Treasury should be in a strong the limits of this Commonwealth. Such a law seems to be contemplated by the constitu

debt annually. The Governor borrowed, according to an act tween the States—by the public peace and b individual convenience." of the Legislature, passed last April, \$850,000, to complete the N. Branch Canal; \$200,000 was taken at 41 per cent. and, \$650,000 at 5 per

bid for, however, owing to a misunderstanding between this country and England, on the fishery question. The amount bid for was accepted: the long was authorized by the Legislature, to tion of certificates issued to domestic creditors. and the outstanding and unclaimed interest certificates, and for the extinguishment of the five per cent. bonds—the 6 per cent. loans and certificates have been cancelled as fast as presented and the money is now in the Treasury to pay off the balance. The premiums on the loan amounted to \$184,584, which sum has been handed over able in charging fifteen dollars for publishing to the Commissioners of the Sinking Fund. In Joe's character, and five dollars twenty-five center ly saved to the State by the reduction of the rate

the period the loan has to run, will amount to over half a million of dollars. The mission of Col. McCahen to Europe, t effect a conversion of the five per cent. loans into new bonds, bearing four per cent. interest, though it did not meet with definite results, ha been of great service to the State-conversion to 44 per cent, could have been effected, but the transfer was not thought advisable.

The Governor recommends the passage of law, authorizing the cancellation of the old five per cent. bonds, and the creation of new ones bearing a less rate of interest. The saving secured to the State by the cancellstion of the six per cent. debts, and the distribution of the Sinking Fund, the Governor says, will pay the interest on the loan for the completion of the North Branch canal, which amounts the North Branch canal, which amounts cellation of the six per cent. debts, and the into \$41,500 annually.

The nett revenue to the State, from the public works, amounts to \$867,470 19. A further himself, he gave the following as an extract from increase in the revenue from this source, is not anticipated, until the Portage Railroad and North Branch canal shall have been completed.

have been avoided. The increase of profits on the Mayor's letter: road more than awallowed up that sum. When these improvements shall have been completed. the Governor gives it as his opinion, that the State should abandon entirely the system of making improvements of this character.

The Governor requests that a misunderstand ing should have arisen between the Railroad Company and the Canal Commissioners. The Company should be allowed to maintain its wights, without infringing on the rights of the State. The interests of the State should be guarded with a jeslous eye, but yet that course should not forbid a liberal policy towards the

There are \$600,000 of the relief issue still in circulation. The inefficiency of the law, prohib-Iting the circulation of small notes, has been impaired by the relief notes in circulation. The Governor recommends several measures to remedy this evil-one of which-and a good one too, is to apply the sinking fund to the cancellation of the notes, which are as much a part of the debt of the State, as are her bonds.

The currency of the State is in a sound condition, and seems to be sufficient in the aggregate, 10 cents per copy. We hope the work may meet | gregate of deaths for the year is 21,558, as folto answer all the purposes of trade and com- with entire success. and an increase of paper, would be unwise policy. He states we are on the eve of a commercial revolution, which tendency should not be stimulated by an increase of paper money. the consideration of the propriety of special le- monwealth.

gislation creating corporations. He states that f the operations of a company, are enterprise egitimate and useful, but so complicated as not o come within the reach of general laws, that t should be deemed proper to extend corporaive privileges, such corporations should be always limited to a moderate existence, and accompanied by the principles of individual liabil-

Messrs. James M. Porter, E. A. Penniman and E. Bonham, appointed Commissioners to prepare general laws for the consideration of the Legislature, have devoted themselves for some ime past to the performance of their duties .--The Commissioners, among many others, have prepared a general tax law, simplyfying the aws as they stand, and altering them, so as nore completely to reach moneys at interest. The subject of agriculture is next recommend ed to the attention of the Legislature. Some measures should be taken to counternet the waste of land. Agricultural schools and societies, under the protection and encouragement of

the State are recommended, and the appoint ment of a State Agricultural Chemist also. The subject of wool raising is presented with statistics, in regard to wool raising abroad. Foreign countries with not half the natural facilities of this, and particularly Pennsylvania, far exceed us in raising wool.

After reading the census report in regard to this State, the Governor passes to the consideration of general topics in regard to the future sylvania, for the year ending November 80, 1852. prosperity of the Commonwealth. Pennsylva-This able document presents a full history of the nin, he believes, before the end of the present figuress of our state, which cannot fail to be in- century will stand far in advance of her sister States. say-the first sets forth the perversion of the whig candidate. Where will you "locate the "lie," now, Mr. Riddle ? We would much desire to follow this matter up, and to tell all that his friend Joe Barker said in favor of him on Wednesday evening, but

our colums are too much crowded this morning

Such is the title of a new weekly journal, conducted by W. W. WARDEN, Esq., and issued in Cincinnati, the great focus of literary experiments. It is devoted to Literature, Science, Art and News, and published in pamphlet form, in that before long there will be a reaction. It is the neatest style of typographical art. The first number looks well, and reads well, and if the enterprise does not succeed, it will be the fault of the public, and not because of lack of ability of the public, and not because of lack of ability on the part of the editor. Amongst the contributors we notice the names of James K. Paulding, N. P. Willis, Rufus W. Griswold, Judge James Hall, Alice and Phoebe Carey, Mrs. Ellet, and others. Subscription price \$3 per annum, or in New York City, during the last year. The ag-

The Reading Gazette and Democrat, one of the most spirited and interesting Democratic ournals in Pennsylvania, comes to us in a splendid new dress. Brother GETZ appears to be as proud and saucy of his pretty paper as a young mother would be of her "first-born."

NIAGARA FALLS AND LAKE ERIE. - Prof. Sillinan, the eminent geologist, discredits the opinon advanced by some, that the gradual wearing way of the rocks of Ningara Falls, may possibly result in draining Lake Erie. In a recent scture he remarked : They will not halt at their present station, but retreat slowly and surely again for an unknown period, and probably forever, since at this place the hard limestone will to remedy it, until the inclined planes shall then gives the following honest quotation from ly drained. Such an event is impossible. At the point already mentioned, the torrent will gradually wear away the surface of the limestone, forming a rapid, and thenceforth Niagara will be one of the lost wonders of the world.

Modern Extravagances.—The New York Ex-Dress says: The extravagance of the people of the city exceeds anything in our history. Costly houses of \$75,000 and \$100,0000, with furniture, mirrors, arpeting, pictures, fresuces, &c., to match, are

n-but there are dinners, soirces. We hear of balls the past week, in which dismonds and emeralds were worn worth \$80,000 on the person. Thousand dollars dresses are mon. Dinner parties are spoken of, not uncommon. Dinner parties are spoken of, when ladies appear in clocks embroidered with pearls, &c. What are we coming to? The fever is indeed high, and it may be feared right and proper for those who have enough and y such a policy. But there is reason in a

be stimulated by an increase of paper money. After referring to the great increase of gold coin, has been appointed Clerk of the Supreme Court, an effort should be made, the Executive states, in the Eastern District of Pennsylvania. Mr. Tyler is not only a talented and enthusiastic Department of the country for this great increase, to prepare the country for this great increase, the first moving from elevalation all notes under the five dollars, and next the five also:

The Governor devotes considerable length to the consideration of the propriety of special length to monwealth.

13 P. M. The rain is still falling. Well; let us go to the Theatres. The "higher class" ones ave no afternoon performances. Franklin's Museum and White's are not worth seeing, and Barnum's is-like himself. The National Theatro has a "strong" bill—at least the bill says so; but then my third sense is unimpaired, and I have not yet forgotten how very thankful I once was on coming out of it, when I breathed the fresh air of Chatham street. (The air was only fresh, after all, by comparison.) The Bowery Theatro is the largest place of amusement the city, and of the resorts of the People it s incomparably the best. Let us enter. curtain has risen; and the Drama of "the De-mon of the Woods" begins. In this piece— which has been often repeated, and which was very carelessly played by almost every one of the company this afternoon. Messra. Johnson & Griffiths and Misses Heron, Dawes & Hiffert lowery. He is not so good an actor as Johnson, or so good a declaimer as Heron; but then be never declaims unnaturally which Johnson often than the lady. Griffiths is as good as a come-dian as Eddy is good as a tragedian, and is as dien as Eddy is good as a tragedian, and is as bad as a tragedian as Eddy is bad as a comelian. Whenever he assumes a character which orbids the creation of laughter, he fails; and

which is a splendid "hit" in the comic target. Miss Hiffert is a very fine songstress, but can about two miles further, where they will stop act well only one character—the jilt. She has a rival who equals her in that character-Miss form both base and top of the Falls, and thus some say, in the Union. As an actress the latat Providence—to use the words of a Bostonian who lately "say, stranger"-ed us in order to know if she was a "lioness" here—"she made Mr. Dunn sings very well and uite a furor." acts very unwell. Mrs. Graltan and Mrs. Yeo-mans are entitled to praise for always doing what the others sometimes do not do—they act in their best style, and neither actresses nor angels can do more. The rest are unworthy of particular notice. Hamblin, the manager, far areas are one of the second of James Pollock, Administrator, &c. who was appointed to the second of James Pollock, Administrator, &c. who was appointed to the second of James Pollock, Administrator, &c. who was appointed to the second of James Pollock, Administrator, &c. who was appointed to the second of the ixeels every one of his company as an actor.— The Bowery Theatre is well worth attending. he Bowery Theatre is well In it the people can be studied with advantage. But it wants a stern critic, as the "pitmen" are so easily pleased that the performers often get careless. An incident occurred at this Theatre this afternoon, which strikingly demonstrated the ecessity of our system of Sen Bolt beautifully. She sung her appointed

mocracy—a monarchist would say "the fickleness of the herd." After the first play three songs were sung in succession. Miss Hiffert can sing the herd." After the first play three songs ere sung in succession. Miss Hiffert can sing en Bolt beautifully. She sung her appointed long; was called out a second time, and was amorously asked for Ben Bolt. She could not long or would not, but repeated the song of long or would not, but repeated the song of long or would not, but repeated the song of long or would not but repeated the song of long or would not long or would not long or long song; was called out a second time, and was comply—or would not, but repeated the song of the bill. Dunn was similarly treated, and acted imilarly. The third singer was also called out: but on attempting to follow their example was yelled into silence. The "rag" fell. The dancers appeared. After the applause which always greets them had subsided, the Ben Bolt cries things.

The Annual Mortality in New York.

The Tribune publishes tables of the mortality in New York City, during the last year. The age asked the audience what their pleasure in New York City, during the last year. and applauded and langued or dauced and sang and acted here, have dispersed to their quiet or unquiet homes. Could we but follow them?—
What a strange spilogue could we write! What tales of mirth and of grief, of gluttony and of to govern a family! What makes people scold? indignantly denying that they are sinners—could are generally calm. They are prompt and reso-we unfold! But as we cannot, let us pass on-lute, but steady and mild.

Late accounts from Key West announce that 15 minutes are all that remain of 1852. How have I spent or misspent this year—before you have fairly answered this question, the clock stroyed the property of Spanish residents strikes Twelve; and the firing of muskerry and during the Cuban excitement last year, have

Mrs. Harris says if she should get married affinity to the vegetable kingdom in these solemn words—to wit: "I'm punkins—hic—I tell yo—hic—Wall, I bees." Unless we enter some place ter." Cause why—when boys loose their "charter."

Are So certain are the effects of Dr. Wlane's Liver Pille. n cases of disordered Liver, that they are regarded as the Specific for that complicated class of diseases known as Hebusses (men on and in them); the fair sex are | ran always rely. All that is necessary is to purchere and ladies libs worms, never come out | use Dr. M'Lane's Liver Hills, to secure a restoration to health. Read this:

WILLING TOWNSH, Allegheny Co. Pa.

J. Kind & Co.—Please let me have two boxes more of Dr.

M'Lane's Liver Pilla. My wife has used two boxes of the
Doctor's Pills, and I assure you they have done her more
good than my family physician has for two years, during
which time he was in regular attendance. 'These two boxes,
Libino will affect a cross."

ted Wines, of various characters, have been before the pub-ile, but it has remained for the FOREST WINE to blend in

Dr. Guysott's Improved Extract Yellow Dock and Sarsaparilla :-- Put up in the largest sixed bottles, contains more of the pure Hor Sarsaparilla than any other preparation extant, which is chemically combined with the Extract of Yellow Dock and the Extract of Wild Cherry, thus making the remedy more thoroughly efficient than any other Barsaparilla before the public. At the same time, it is perfectly free from all mineral poisons, which cannot be said of any of the other Barsaparilla compounds. The invalid abould beware of poisons! Hercury, Iron, Quinine, Potash, Todine, Sulphur, Arsenic, and many other mineral and metallic poisons, enter into and form the active basis of most of the Earsaparillas and Panaceas of the day. Guysoit's Compound Extract of Yellow Dock and Barsaparilla does not contain a particle of these substances; as any one can ascertain by applying the necessary tests. Sarsaparilla than any other preparation extant, which "Hosannan—cruony man the lovers.
