It was, indeed as we are presently to see, quite trophes, of transformations, of different scenes, an important matter for a Roman, to be buried: according to a religious tradition generally credited in the time of Cicero, about which time genius is never so powerful or moving in its in-fluence, as when he has to manage great masses of events, and to traverse a vast historical career. years on the banks of the Styx. one finding a corpse in his way and neglecting stance, which, however, embraced but half a to give it sepulture, was guilty of a sacrilege century of French history, gave us a specimen for which he could be absolved only by offering up a sow to Ceres. It is true that throwing ittle earth upon the body, three different times exempted one from the task of interring it and which we announce that this privileged faculty acquitted the sacrifice.

But it was not enough to be buried, a man

of iron: no; it came merely as a beautiful, pale female, the daughter of Sleep and Night, with long dishavelled hair, with white, cold hands, and icy caresses; somewhat like an unknown friend who, when they called her, came forth from the shades, advanced gravely and silently, bent down

and lips. Then, the corpse remained deaf, mute insensible until the flame of the funeral pyr kindled for it, and, seperated the spirit from t change for it, and, separated the spirit from the clay—clay which became ashes and spirit that became divinity. Then this new divinity, this "manes," although continuing invisible to the living, resumed all its former habits, tastes and passions; re-entered so to speak into the pos

Whooping Cough, Coughs and Colds,
W speedily cured by Dr. Keyser's Pictoral Syrup. This
is one of the most important remedies for lung diseases ever
introduced to the American public. It has been introduced
here only a few years; and aircraft thousands of citizens of
Pittsburgh can tentify to its efficacy; in many cases curing Pittsburgh can testify to its efficacy; in many cases carring coughs and colds in a few hours. Public speakers, opers singers, anctioners, and others who exercise the vocal organs to a great extent, will find a ready cure in a dose of Dr. Keyner's Pectoral Syrup. WHOOPING OUGH is greatly relieved by it, and when given early, the Pectural renders the disease comparatively trilling.

We publish the following case as an evidence of its value:
PULMONARY CONSUMPTION.

CASE 1.—A young man, aged 19, of dender make, had cough, expecteration of dark matter from the lungs and firmnchis for three weeks; pulse up to 120, hactic fever and night sweats; great emsclation, pain in the breast; sometimes expectoration of matters streaked with blood; had taken various remedies from physicians, with little or no relief; commenced taking the Pectoral Syrup in fail the usual doses; the expectoration diminished; the conghabated; the hectic fever left, and in four days all the bad symptoms had entirely disappeared, and the man is now entirely well.

Also a certificate of well known ditiens in proof of its efficier.
