HONESTY TURNED UP .- It is said that Professor Anderson, at present in Charleston, has received a letter from Louis Napoleon, Emperor of the French, inclosing a check for £80, which he borrowed some years since from the Professor in London, accompanied with a present of a dismond ring, and an invitation to visit Paris. This will be cheering news to all who were the Emperor's creditors in the times that tried his soul.

Ar Messrs. J. Kidd & Co., have just received free hundred dozen of F. S. CLEAVER'S highly perfused HONEY SOAPS, comprising the ordinary Honey Soaps, Ex-tra Scented Windsor, Music Brown Windsor, Winter and Honey Shaving Scaps. It is admitted by all, that CLEAVER' Scaps are the finest in the world.

Dr. M'Lane's Vermituge. During a practice of more than twenty years, Dr. Lane has attended innumerable patients afflicted with the energies of his mind to the discovery of a vermifuge of bors is the American Worm Specific, now before the publi bors is the American Worm Specific, now before the yearlies, which is perfectly safe, and may be given alike to children of the most tender age, or to the aged adult; it purges mildly and subdues fever, and destroys worms with invariable success. It is easy of administration, and as it does not contain mercury in any form whatever, no restrictions are necessary with regard to drinking cold water, nor is it capable of doing the least injury to the most tender infant. An incredible number of worms have been expelled by this

Serogula.-It is due to Kier's Petroleum to say that it has been known to completely eradicate every vertage of this dreadful disease in less time than any other remedy, r, many of which are from well known citizens of the cit of Fittsburgh and its immediate vicinity, go to show clearly nd beyond all doubt, that Kira's Personaum is a medicine of no common value, not only as a local remedy in Paralytic, Rheumatium, Deafness, loss of Right, but as a valuable of the common value in the local remedy in Paralytics and Paralytics and

meritz.

Those having a dread of mixtures are assured that this medicine is purely natural, and is bottled as it flows from the bosom of the earth.

The following crifficale is copied from a paper published at Structure. N. N. and bears date August 2, 1852 to which it of Syracus:

This may in truth certify, that I have been so bedly a idead with Scrofuls for the last seven years that most of the time I have been unable to attend to any kind of business and much of the time unable to walk and confined to make and have been treated nearly all the time by the best and much of the time unnow that the time by the best bad, and have been treated nearly all the time by the best bad, and have been treated nearly all the time by the best bad, and have been treated nearly all the time by the performing the time by the performance that the time by the performance t

83 Low Spirits, Hypochondriae, want of energy and especity for blainess or disposition to enjoy life and happiness, are wretched complaints which sliently prey upon the constitution of the unhappy object. They are usually brought on through troubles and afflictions of the

nsually brought on through troubles and afflictions of the mind, sedentary habits, confined air and close spilection to study. They are sometimes attended with less of appetits, indigestion, dyspeptis, nerrous dability, frightful dreams, and a pallid, unhealthy, downcast countenance. Now, while these melaucholy disorders exist, the bright sparking eye loses its wonted lustre—the mind is pensification and vivacity—the body its manic courage and vigor, and the noblest feelings of our nature gradually dwindle away to a fretul perviah temper, until life becomes a burthen, and other diseases arise to shorten the existence of the wretched victim.
