THE CITY POST.

WEDNESDAY MORNING.....MARCH 9.

BOARD OFFICERS.—The Monongahela Bridge Company elected officers on Monday for the ensuing year. This follows in a list of the new officers:

President—Frederick Lucas.
Secretary—John Thaw.
Treasurer—Solomon Stoner.
Managers—Jas. Anderson, Chas. Avery, Christian Anshutz, Thomas Bakewell, Robert Bell, John Bissell, David Gillelland, William Holmes, Lewis Hutchison, William F. Irvine, George W. Jackson.

The St. Clair Street Bridge Company also elected officers on that day for the year. The following is a list of the officers elected:

President—John Irwin.
Treasurer—John Harper.
Managers—Jas. Anderson, Thomas Bakewell, Lewis Hutchinson, J. P. Gazzam, William Holmes, John Graham, S. Lothrop, H. D. King, Solomon Stoner, and H. Palmer.

LEWIS SAW MILL BUS RAILROAD COMPANY.—This road is not completed to the depot, to the Washington road, and will be completed to the river by the first of April. It is three miles long, from the river to the coal mines, and will be able, under its present arrangements, to deliver 8000 bushels of coal per day, at the river, at a cost of 2½ cents per bushel; and as soon as the mining arrangements are complete, to extend this amount to 20,000 bushels per day.

Upon a delivery of 8000 bushels a day, the company expect to realize a dividend of 20 per cent. The cost of the road ready for the locomotives, is $27,100, and total cost of the road, equipments, coal lands, etc., $47,277. This road is, we learn, also a very rich coal region, and will eventually be continued two miles beyond its present terminus.

THEATRICAL.—Macbeth was performed on Monday night, in a very creditable manner. Mr. Burbridge, in that most difficult of female characters, Lady Macbeth, performed her part admirably. Mr. Bestford, as Macbeth, exceeded, by far, the expectations of his friends' his conception of the character is strikingly original, and he so warmed into the play, his difference were off, and Macbeth, bloody, bold and *irresolute*, stood before the audience. We speak the general wish of Theatre goers, when we say, that if Mr. Bestford would oftener dinner in good companies, partaking of the hallowed spirit, his reputation would become more extended; of his success in that line there is not a doubt—it is sure.

DISTRICT COURT—Before Hon. H. W. Williams, assistant Judge.

The jury in the case of Hood *vs.* Hood, having been unable to agree, were yesterday discharged.

In the case of Allen *vs.* Gray, action on a building contract, a verdict for plaintiff was yesterday returned, in the sum of $375 40.

Michael M'Cullough *vs.* the Farmers and Mechanics' Turnpike Road Company; No. 822, April Term, 1852. This was an action on a building contract. On trial.

NEW PUBLICATIONS.—We have received from the publisher, the first number of the Railroad Record, published in Cincinnati, and edited by R. D. Mansfield. The Record is devoted to railroad affairs.

The Electic Medical Journal, also published monthly, in Cincinnati, has come to hand. It is devoted to the interests of the medical profession.

STATE AGRICULTURAL FAIR.—As soon as the Delegates sent to Harrisburg shall have returned, there will be a meeting of the citizens of this county appointed at the next meeting of the officers of the State Agricultural Fair, at the office of Wm. A. Hill & Co., to make preparations for obtaining a site for the Fair, and transacting such other business as may be necessary. Due notice will be given of the meeting.

ALD. PATERSON yesterday held a certain Henry Beedenbaugh in bail for obtaining an interest in a store by false representations. It appears that Beedenbaugh, in connection with a man named Frederiks, purchased a store and stock, for seventy dollars, each agreeing to pay half that amount. Beedenbaugh, however, would not comply with his engagement, hence his arrest.

AN EXCITEMENT was created yesterday in different parts of the city, by the appearance of a mad bull in the streets. After causing considerable trouble in the upper part of town, he was apprehended by the police and secured in the Mayor's lot in the Diamond. Here he was secured, and in a short time a crowd of a thousand or more were assembled to view the wonder.

FALSE PRETENCES.—Ald. Major yesterday committed a man named Abraham Gillespie, charged on oath of Nancy Campbell, with false pretences. Gillespie obtained a loan from the prosecutrix of the sum of $15, and was also indebted in a small amount for boarding, which he refused to pay. He obtained the favors by pretending to the ownership of property, for which he did not possess a title of a claim.

THE goods of desirable Dry Goods, at the store of Mr. John Shiel, No. 112, Market street, near Liberty, will be continued this day, at 9 o'clock, by R. M. Davis, auctioneer. His splendid assortment of dress silks, Cassimeres, Shawls, Bonnets, etc., will be sold to-morrow morning at 10 o'clock, to which the attention of families is especially invited.

COMMITTED.—John Ralston was yesterday arrested, and committed, on a warrant from Alderman Major, on an assault and battery committed on his wife. A commitment was also lodged against John, for an assault committed on one Robert Farley, and of which assault, information had been made before Alderman Steel.

A SAD ACCIDENT.—Mr. Killen.—A man named Robert Barr, residing a few miles from East Liberty, died on Monday from injuries he received on Saturday last. While in the woods, near his residence, a branch of a tree fell and struck the barron the head, causing a severe wound. He lingered until Monday, when he died.

BURNING OF TOOLS.—On Monday last, the first day on which the canal was opened, eighteen loads were registered at the Collector's office in this city, their combined tonnage amounted to 1,004,960 lbs. The tolls derived there from, amounted to $1,210 53. For these facts we are indebted to the kindness of Perry Baker, Esq., the Collector.

MICHAEL KANE, of this city, well known as a man of integrity and honor, yesterday for California. Mr. K. has been to California, and his former experience will undoubtedly aid him on his present expedition.

MR. CHARLES KEENE takes a benefit at the Theatre on Thursday night. The stay of this gentleman in the city is drawing rapidly to an end. He will lead the stock in Manager Lee's new Theatre, in Cleveland.

IN THE CITY.—Hon. Lewis Cass, U. S. Senator from Michigan, was in the city yesterday. The General is on his way home, where he is called, we believe, by illness of his wife.

THEATRE.—To-night a favorite comedy, in which Mrs. Drew appears, will be performed.

AN EXTRA SALE of second hand furniture will be held at McKenna's auction house, this day, at 2 o'clock.

Read, J. Kidd & Co., have just received *five hundred dozen* of P. S. CLEAVER'S *highly perfumed* HONEY SOAPS, comprising the ordinary Honey Soaps, Bristol Scotch Windsor, Musk Brown Windsor, Winter and Honey Shaving Soaps. It is admitted by all, that CLEAVER'S Soaps are the finest in the world. mch12w

Strofula.—It is due to Kier's Petroleum to say that it has been known to completely eradicate every vestage of this dreadful disease in less time than any other remedy, and at less cost by inconvenience to the patient.

The thousands of certificates in the hands of the proprietor, many of which are from well known citizens of the city of Pittsburgh and its immediate vicinity, go to show clearly and beyond all doubt, that KIER'S PETROLEUM is a wonderful and powerful remedy, and only a real remedy in *Paralysis, Rheumatism, Tenderness, loss of Sight*, but as a valuable internal remedy, leaving the investigating physicians as well as the suffering patient, to become acquainted with its merits.

Those having a dread of mixtures are assured that this remedy is purely natural, and is bottled as it flows from the bosom of the earth.

The following certificate is copied from a paper published at Syracuse, N. Y., and bears date August 2, 1852, to which is also appended the certificate of the celebrated D. T. Post, M. D., of Syracuse:

This may in truth certify that I have been so badly afflicted with Scrofula for the last seven years that most of the time I have been unable to attend to any kind of business, and much of the time unable to walk and confined to my bed, and have been treated nearly all the time by the best Physicians our country affords; I occasionally got some relief, but no cure, and continued to grow worse until Dr. Foot recommended me to try the Petroleum, or Kier's Oil, as everything else had failed. I did so without faith at first, but the effect was astonishing; it threw the poison to the surface so that it broke out, and it came down by the pailfull, and seven bottles I have got a cure worth thousands of dollars.

MRS. NANCY M. BARNES.

I hereby certify that I have been acquainted with Kier's Petroleum or Rock Oil, for more than a year, and have repeatedly witnessed its beneficial effects in the cure of Rheumatism and other diseases for which it is recommended, and can with confidence recommend it to be a medicine worthy of attention, and can easily say that success has attended it in all cases where other medicine had failed.

TELEGRAPHIC.

By the O'Reilly Lines to the Morning Post.

FROM WASHINGTON CITY, March 8, 1853.

The officers of Gen. Pierce's Brigade in Mexico, twenty-two in number, called upon him by invitation, yesterday morning, and had a most interesting interview. He expressed himself most happy to see them, and felt confident that, as in times past, so in times to come, they would stand by him in every emergency.

A complimentary ball is to be given at Willasch's this evening. President Pierce and Fierce, with their ladies, and their respective Cabinets, and the Diplomatic Corps, etc., are expected to be present.

The new Cabinet, it is understood will take the oath of office, and enter upon their duties, to-day at twelve o'clock.

[SECOND DESPATCH.]

The oath of office having been administered to the members of the new Cabinet, they took charge of their departments at eleven o'clock this morning.

The Democratic members of the Senate caucussed an hour this morning, and agreed upon an arrangement for temporarily filling vacancies in the Standing Committees, with a view of having, although by no means certain, the full committees at the commencement of the next session. It is understood, also, that they last night agreed to restore the rule requiring the election of officers of the Senate to be made at the commencement of the next session.

In the Senate, Mr. Gwin proceeded to defend himself from the charges made against him in regard to the Humboldt treaty, and pulled off the floor to go into Executive session. Various committees were appointed, and the Senate adjourned.

FROM BALTIMORE, March 8.

There is no mail south of Augusta, Georgia.

The National Intelligencer publishes a correspondence between ex President Fillmore and the members of the late cabinet, who express admiration of the unstinting assiduity, and devotion to the duties of his office exhibited by the late President, and acknowledging the personal courtesy with which they were ever treated and the harmony that always prevailed in the Cabinet Council, cheerfully acknowledge the tribute paid him by disciplina deserving it, and says that the success of his administration was mainly owing to the wisdom, harmony, fidelity, and diligence of his counsellors; the President, he says, was ever more fortunate in the choice of a cabinet than in any one for dissension, nor ever had a harsh word passed between them.

The Intelligencer states that the suspension of sentence against Cumming has been given by the President, on the earnest request and solicitation of Secretary Kennedy, and the latter had himself stated to the President the Commodore to the consumed with a sudden attack of fever, which he previously held.

FROM BOSTON, March 8, 1853.

The Coalitionists have carried the Massachusetts Constitutional Convention, according to the returns thus far received.

Economy is the Road to wealth,

AND you will find it so, by using KEATTING'S GENUINE EXTRACT OF COFFEE. It is a great saving to housekeepers, and also a great friend, as it makes it many gallons clearer, and is very simple to use. The directions for using it is: Take a half tea spoonful of Extract to four tea spoonfuls of Coffee, and so on, in proportion. No family should be without it, as one pound of Extract goes as far as ten pounds of Coffee. The Extract of Coffee better than anything else, besides giving it strength and richness outlasts to the end of the fastidious. It is also more wholesome than Coffee prepared in the usual way, and contains ingredients the most strengthening and invigorating to the system.

Sold by J. P. B. KEATING, Pittsburgh, who is the sole manufacturer for the United States, and to whom all orders (accompanied by the cash,) will meet with prompt attention. All letters addressed to J. P. B. Keating, must be post-paid. mar8

TO the Honorable the Judges of the General Quarter Sessions of the Peace, in and for the county of Allegheny:

The petition of Francis Nichols, of the First Ward, city of Pittsburgh, in the county aforesaid, humbly sheweth, That your petitioner hath provided himself with materials for the accommodation of travelers and others, at his dwelling house, in the Ward aforesaid, and prays that your Honors will be pleased to grant him a license to keep a public house of entertainment, and your petitioner, as in duty bound, will pray.

GREAT ENGLISH REMEDY!

The most Valuable Spring and Summer Medicine in the World!

DR. HALSEY'S

FOREST WINE!

PATRONIZED BY THE NOBILITY AND MEDICAL FACULTY OF ENGLAND, AND ESTEEMED THE MOST EXTRAORDINARY MEDICINE IN THIS WORLD.

Medicines containing molasses or liquorice, like the base and disreputable, require many large bottles to produce the slightest change in the health. The *Forest Wine* is altogether a different article. It contains no syrup to give it sweetness, but acquires its excellent flavor and powerful medicinal qualities from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla!

with other valuable plants whose properties are still more powerful.

In this concentration renders it one of the most efficient medicines ever in use. Less than a single bottle restores the lingering patient from weakness, debility, and sickness, to health and vigorous health. Every dose relieves its good effects on the constitution, and improves the state of the health. The *Forest Wine* is recommended, in the strongest terms, to the use of

STOMACH, LIVER, KIDNEYS, NERVOUS DISORDERS, BILIOUS AFFECTIONS, DROPSY, DYSPEPSIA, LOSS OF APPETITE, JAUNDICE, FEMALE COMPLAINTS, SCROFULA, AND ALL DISORDERS ARISING FROM BAD BLOOD, AND IMPURE HABIT OF THE SYSTEM.

SAVED FROM DEATH!!!

Testimony of *Mr. Nathen Matthews*, a highly respectable and wealthy citizen of Newark, N. J.

Dr. G. W. Halsey:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I laid at the point of death, with Dropsy, Piles, and Asthma. My Physician had given me over as past cure, and my family had lost all hope of my recovery. While in this dreadful situation, your Forest Wines and Pills were procured for me, and before I had finished the first bottle of Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced, and the hopes of my recovery began now to revive, and after continuing the use of your medicines for about one month, the Piles and Asthma were completely cured. The Dropsy left with me my life was pleased to grant a few days, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than 60 years of age.

I ascribe my recovery entirely to the use of your excellent medicines. Several of my neighbors have also used them with similar success in obstinate complaints, and I can cheerfully
