A Cottage Frame Dwelling and Lot, 32 by 120 feet, fronting on Anne and Robinson streets, Allegheny City. The House is a very desirable and pleasant location for a residence.

Three Lots on Centre street and Pasture lane, in Allegheny City, 30 by 90; four each, near the residence of Mr. Peter Jennings.

Nine Lots in the town of M'Keesport, each 60 feet by 160. Several of these are on the Main street.

Eleven Acres in Limetown, on the Monongahela River, on which there are 4 houses and barns, are one of the most excellent stone 'coal, and abundance of limestone convenient to the landing; and two coal pits open.

Ninety Lots in the Second Ward, Allegheny City, nearly all level, and well located. The tenant of the Lots has the privilege of using whatever stone coal he may require for his own use, from a pit near the Lots. Columbia is a pleasant situation on the bank of the Monongahela river; a short distance below Lock No. 3, in the midst of an extensive stone coal region, and would be a desirable point for manufacturing establishments.

Two Hundred acres of superior Stone Coalwith House, Railroad, &c., &c., on the property. The Lots are on the Monongahela river; an excellent landing; good grade and foundation for railroad; within one mile of the depot of each railroads; in my judgment, entirely free proof. WM. HAYE.

In calling upon the above gentlemen for their signatures, they all spoke in the highest terms of the fairness of the title, and their full confidence of the Safe's being entirely free proof. We have constantly on hand and for sale a full assortment of Fire and Burglar Proof SAFES. ATTEST:
