And sink dish ecause thy limbs were not made straight-Because thy face was not made fair, Must it be thy inglorious fate To sink unpitied in despair!

ON A BLAVE.

For the Morning Post.

If we are freemen, let us show That we have souls that still can feel! If we are strong, then let us grow More lenient when the weak appeal They are the grand alone who take, Their suffering fellows by the hand ; They are the brave alone, who break The shackles that have cursed a land

From many a rice swamp swells a prayer God of my fathers, unto Thee! In many a cabin's fainted air Tears fall like rain where none will see When the loud trump of Justice shakes This Nation to its mighty heart, Then shall the sword that vengeance tak -Make the last lank oppressor start! Items of News and Miscellany.

The journeymen printers of Albany have no tified their employers that they want an advance of wages. The employers have not consented to accede to the terms asked. Charles Levi Woodbury has accepted the office

of Postmaster of Boston, and will assume the duties of the office on the first of July. The entire stock of \$1,000,000 of the new bank in New Orleans, was subscribed in four davs. The public debt of Canada is between \$28,

000,000 and \$24,000. It comprises various loans, the longest of which has 28 years to solves, as did the German's in Pittsburgh, and, Judge McOlean has refused to grant an in junction to prevent the construction of a railroad

bridge across Sandusky Bay. Bayard Taylor, the great traveler and correspondent of the New York Tribune, is now in Bomnforced by those endangered; and, if they who bay, in the East Indies. A cannon ball, dug up from the field of the battle of New Orleans, is to be sent to the New

York World's Fair for exhibition. Mr. Daniel Coll has been appointed Post master, at Butler, in the room of Mr. Joshua J. Bedwick.

"Sambo," a horse valued at \$1000, and for which he was about to be sold, belonging to Mr. James Fickey, of Queen Anne's county, Md., died last week.

to each representing the choicest varieties of Mar-ble, which are manufactured by the NEW YORK MARBLED IRON WORKS, and of which they have just opened a splendid assortment at their Office and Sales Boom, No. 418 Broadway. Specimens of the choicest varieties are now ex-hibited: such as EXYPTIAN, SIRNNA, BROGATELLE,

If a merchant or tradesman had his goods or wares in a room some four feet above the pare-ment, he certainly might go whisting for cus-ment. The same argument will apply to any other kind of business. And certainly the in-softweinence would be doubly great, if the place of selling and buying is some eight or ten for

THE FUTURE LIFE. If William Cullen Bryant had asver written If William Cullen Bryant had usver written but the following lines, they would give him a perfect title to the analysed. Poet How shall I know their in the sphere which kerns The disambedia phrits of the dead, When all of these that time dould wither, sleeps And perishes among the dust we kreat For I shall feel the sting of censeless pain If there I meet by genite spirit not; Not hear the voice I lore, nor read again The two sameast eves the tender thought. For I shall feel the sting of ceaseless pain. If there I meet thy gentle spirit not; Nor hear the voice I love, nor read again In thy serenest eyes the tender thought

Wilt not thy own meek heart demand the there? That heart whose fondest throbs to me were given My name on earth was ever in thy prayer. Shall it be banished from thy tongue in heaven !

In memows fanned by heaven's life-breathing wind, In the respiendance of that glorious sphere. And larger movements of the unfettered mind, Will thou forget the love that joined us here? The love that lived through all the stormy pase And meekly with my haraber nature born, And deeper grow, and henderer to the last, Shall it expire with life, and be no more?

A happing lot than mine, and larger light, Await these there: for thou hast bowed thy a In cheerical homage to the rules of right, And lovest all, and rendest good for ill.

For me, the sordid cares in which I dwell Shrink and consume the bears, as heat the And wrath hath left its scar-that fire of hell Has left its frightful scar upon my soul

Yet, though then wears't the glory of the sky, / Will thou not keep the same belowed name, The same fair thoughtful brow, and genile eye, Lovelier in heaven's sweet climate, yet the same

Shalt they not teach me in that calmer home The wisdom that I learned so ill in this— The wisdom which is low—till I become Thy fit companion in that land of bills f

oder the new administration at Washington gives rise to some amusing incidents. The fol-In stating these objections to a basement market, we hope that no person will be led to sup- jowing is told of the Scoretary of State :

** Among the host of besiegers in the pursuit pose that we are not in favor of the projected new market house. We are antious to see such of place, was a woman who was extremely ant-e building arected as will be an honor and an ious that her husband should be made postmasa building crected as will be an honor and an tors that her hubband willage. She was most per-ter in some country village. She was most per-bevering in her solicitations, in season and out of season. She stood at the Secretary's door ornament to the city, without reference to the cost. We are in favor of a large market house, then he came out of his room in the morning; comfortably arranged, capable of accommodating she intercepted him on his way to his meals; she followed him to his lodgings at bight. On one consign she remained there unusually late; the Scoretary listened to her as long as he could, when he remained there unusually late; the Scoretary listened to her as long as he could, when he remained there to every him batters Tor sale. We are in favor of a large and well arranged Town Hall in the second story, with galleries, if they are deemed necessary, where five thousand of the "Vox Populi," (as Capt. W, would say.) may assemble and settle the af-fairs of the unition. Let a Market House and Town Hall be erected, not for Pittsburgh of to all our country friends who may bring their pigs

then, turning to the woman, he exclaimed :-'Madam, I am going to bed, and if you don't withdraw, I shall write to Mrs. Marcy about you.' The lady immediately retired...from the Town Hall be created, not for Pittsburgh of today, but for Pittsburgh as it will be twenty-five years hence. That is our idea about the matter. A NEW FEATURE OF THE IRISH EXODUS

OUR CHARGE AT ROME .- The Albany Evening Journal pays the following compliment to Lewis Cass, Jr., our charge at Bome :

remaining in ireland, nowing from the excessive emigration to this country within the last year or two, is the great advance in the wages of mechanics. In Dublin, as we learn from the English papers, the advance in the remuneration of mechanics has become very general, and its field laborers throughout the country are receiv. Ing better wages than has ever been paid before. Ten shillings per week is now the lowest wages paid to ordinary laborers; a rallcoad contractor states, as an illustration of the great advance, that the difference paid by him, in the shape of remaining in Ireland, flowing from the excessive that the difference paid by him, in the shape of

to near ten thousand dollars per week. Although considerable progress has been made in getting down the sereal crops throughout the country, yet in some districts not one half the usual quantify of oats has been planted, and the far- a special agent, in the act of rifling a latter mers are exceedingly backward with the potato.
