ter months to commence his explorations.

The Courier des Etats-Unis publishes an affidavit swora to by a woman over 80 years of noon,—Jacob Adams, Dr. J. H. Brown and C. sge, named Mary Ann Williams, who says she is county. the pretender to Bourbon legitimacy. She states also that the first intimation she ever had of his pretensions to a royal birth was from one William Woodman, an Oneida Indian, who came to her about three years ago, and asked her if she would not be willing to go before a magistrate and swear that Eleaver was not her son, but was given to her to bring up; she told him she would do no such thing, as she knew him to be her son; that Eleazer has since mentioned to her she knew him to be her that some of his friends thought he was not an Indian, but descended from royal parentage; she told him it was no such thing, that he was

her son. RAILBOAD ACCIDENTS .- The Hartford Couran gives the following statement: There is a lesson "The President of one of the roads rouning

into Bridgeport, informed a gentleman of this city, recently, that he had within a short time D.B. Linn, Esq., from the committee of sixty placed the signals to indicate that a draw was appointed on the 8th alt., to obtain subscription open, (when it was not,) for the purpose of testing the engineer. Not the less subscribers of stock 771; number of shares been open, an accident as serious in its conseemploying so reckless an individual."

The Great Illinois Railroad. The great Central Illinois Ballroad Company appear to be in full tide of practical success. will build the road for the whole distance of 71 teen millions of dollars—the estimated cost of the road—for their personal benefit. The Land is estimated to be worth that sum, and the loans

The Scrip Deficiency. Report of the Auditors of Allegheny county, of their late Investigation of the Scrip Issue. The Auditors would further report, that in the ployed . there was something wrong. Your Auditors, as a duty which they owe to the public, and which

office where the records show receipts for every warrant even down to the small premium for a single fox scalp.

As the records of the office, where everything should have been set forth about the scrip, gave no information, the Auditors procured from the engravers a certificate, showing the amount of scrip struck and forwarded to the Commission.

This presents a singular state of milars in an office where everyther of the Branch December 2. Times.

The escape of Mrs. Stevenson, wife of James Stevenson, wife of James Stevenson, wife of James Stevenson, Esq. of the Branch Bank of Montreal, in Hamilton, was a very extraordinary one.

She was sleeping in a state room with her little from the case with a rapidity truly astonishing dughter, when she was alarmed by the cries of the process of the granch Bank of Montreal, in Hamilton, was a very extraordinary one.

She was sleeping in a state room with her little from the case with a rapidity truly astonishing dughter, when she was alarmed by the cries of the granch Bank of Montreal, in Hamilton, was a very extraordinary one.

She was sleeping in a state room with her little from the case with a rapidity truly astonishing. I have never seen it equalled in an English printing office. But his day's work over (and he will strip a processor.

Stevenson, Esq. of the Branch Bank of Montreal, in Hamilton, was a very extraordinary one.

She was sleeping in a state room with her little from the case with a rapidity truly astonishing. I have never seen it equalled in an English printing office. But his day's work over (and he will be a state room, where her two young sons and her is the measurement of the Branch Bank of Montreal, in Hamilton, was a very extraordinary one.

She was sleeping in a state room with her little from the case with a rapidity truly astonishing the printing for the Branch Bank of Montreal, in Hamilton, was a very extraordinary one.

She was sleeping in a state room with her little from the case with a rapidity truly astonishing the printing for the Branc to have been all used, except, as the evidence proves, about one full package, \$7,000, and about helf a package which was burnt at the time the scrip went down, about \$10,500. This would leave, as used, in some way, about \$127,500. There was lent of the scrip by the Commissioners to James Blair, \$500, due bill taken for the same. This is now in suit—the commy. of Allegheny vs. Jas. Cunningham. John Mc-Dowall received \$1,001 scrip, and left a memor-Hundreds of burglars are now at Cincinnati, and with the clerk for the same. He also committing robberies in every quarter of the got \$800 and \$125, also \$75, making in all \$1. 501. Col. James Carmhon got \$125 or \$133, which the Commissioner informed him was what

he was entitled to, for his services in signing scrip, he being in office but a short time in the place of William Magil), resigned. This has been refunded. John Forsyth received \$600 of this scrip, which he claims has since been settled. Joseph Marks received \$534 of this scrip. Jas. Gormley received, as extra compensation, of this These items were all paid out of the scrip from Maysville and Cincinnati Railroad, which assembled at McCouncilsville, on Saturday, May 7, 1853. The proceedings were of the most spiritand some, it is alleged, was stolen from the Su-preme Court room. The whole amount of scrip

that passed through the county Treasury appears to have been \$191,885.

The account herewith exhibited, made up from the different Auditors' report, shows that there has been 20,451 redeamed more than ever passed through the treasury to the credit of the countainly ascertained.

The public will judge for themselves of the whole matter, your Auditors having made arrangements for the publication of the whole evidence in pamphlet form, without cost to the BTATEMENT OF THE ISSUE AND REDEMPTION OF COUNTY SCRIP.

\$211,574 191,123 \$191,123 Deduct \$20,451-—All of which is respectfully submitted. WM. FLINN,
JOHN EMERICK,
FES. I. GARDNER,
Auditors of Allegheny County.

Statistical Society says, if the population of the earth be taken at one hundred millions, and the consumption reckoned as equal to that of the kingdom of Denmark, or seventy ounces a head, the produce of the whole world will amount to nearly two million of tons (1,958,125) a year.— Santa Anna Restraining the Liberty of Seventy ounces a head of course far exceeds the average consumption of Europe, in most of the countries of which tobacco is heavily taxed. It is certain, however, on the other hand, that it | Orienns: It is certain, however, on the other hand, the state of the consumption of Asia, containing the majority of mankind, where women and oblidren smoke as well as men, and where the article is, moreover, untuxed. YOUTH AND AGE. I often think each totterring form
That limps along in life's decline,
Ones bore a heart as young, as warn
As full of idle thoughts as mine! And each has had its dreams of joy,

And each could tell his tale of youth. Would think its scenes of love evin More passion, more unearthly truth Than any tale before or since. Yes! they could tell of tender lays

"At midnight penned in classic shades
Of days more bright than modern days—
And maids more fair than modern mails

of passions too untimely crossed;
Of passions slighted or betrayed—
Of kindred spirits early lost,
And buds that blossom but to lade

And forms that have all passed away And left them what we see them n And is it thus—is human love
So very light and frail a thing?
And must youths brightest vision
Forever on times restless wing?

Must all the eyes that still are bright And the lips that talk of bliss, Then what are earth's best vision's worth,
If we at length must lose them thusIf all we value most on earth.
Ere long must fule away from us.
