There had been a number of piracies in the China seas, and the Nymph, with a large quantity of specie on board, narrowly escaped capture by four junks. In consequence, the steamer by four junks. In consequence, the steamer Harmes was ordered out on a croise March 4, of the result of which the China Mail, of the 10th, gives the following account:

"The Hermes has returned to harbor, having tallen in with the pirate fleet, who, as might have been expected, offered a desperete resists ance, throwing upwards of a hundred stinkpots on board the steamer, by which, however, fortunately, no one was hort. Of the two junks which fought hardest, one was blown up, and the other souk. The remaining three were captured by the pirates, were also found on board, and will probably prove valuable as witnesses before the court, in identifying the actual pirates. The prisoners spoak the dialect of this and the adjoining districts."

There had been a number of piracies in the china for the fourth street, my20 for the Court of General Roll in the China Seas, and the Illinorable the Judges of the Court of General Rolledney:
