Daily Morning Post.

Harper & Phillips, Editors & Proprietors. PITTSBURGH:

MONDAY MORNING......JUNE 6. DEMOCRATIC NOMINATIONS. THOMAS H. FORSYTH, of Philadelphia Oninty. EPHRAIM BANKS, of Millin County.

SURVEYOR GENER J. PORTER BRAWLEY of Crawford County.

THE APPOINTMENTS, &C. The Union of Saturday publishes an extremely abusive article against the senior editor of the Post. Its low vituperation has missed the mark, Mr. Harper had nothing to do with the article on which it comments, and, whatever his feelings may be on the subject noticed, it is unjust to hold him responsible for the remarks of an-

Mr. Hastings thinks that it was cowardly no to have mentioned his name in our article, but inasmuch, as he has plead guilty to the charges made, and offers no defence except a column of abuse of one of the editors of the Post, the pub-

lic cannot but conclude that he has admitted the truth of all we have said about him, and therefore we have done him no injury. We never make cowardly assaults upon any

rson, and Mr. Hastings may readily conclude that if we chose to mention his name, we would not be deterred by any feeling of the kind. We left that to himself, and he has met our expecta tions more fully than we thoughthe would. He owns up to all, and more than all we have charged and his only justification, is a long rigmarole of abuse. Since his appointment was announced, Mr. Hastings is. We do not know much about

the gentleman. The first information the people every respect, it is equal to any of the workof Pittsburgh had of him, was when he landed here with a commission in his pocket to take charge of the Collectorship on the canal. He All who stop here for a day, must admit that was next known as an applicant for the office of Superintendent on the Portage road, which he did not get. He then obtained an interest in a

large contract, and sold it out afterwards at an ted as in Peoris. Six years ago its population immense profit. He then applied for the office way between three and four thousand;"it now of Marshal-he could not get it; he then requested the Consulship to Australia, there he was also ncrease for a small town in the West. disappointed. He then rolled over to the Custom House in Pittsburgh, which appointment he secured without a single recommendation from When those railroads are completed, the immense never find water anywhere elso. the people of this place. Good men who were

pplicants, and were strongly recommended, were

MURDER AND LYNCH LAW AT COUNCIL BLUFF. Some Interesting Statistics. There are in the appendix to a report of the -A man named J. C. Samuels, from Columbus ecretary of the Treasury, lately communicated o the Senate, on the Colonial and Lake Trade of the United States, several important and useful tables of the general trade of the country. The tance of some of these we shall give in a court house on suspicion of committing the deed. ondensed form : Our average imports from 1821 to 1826, speel

included, were \$80,878,848; from 1848 to 1852, they were \$181,966,679, showing that they have more than doubled in thirty years. Our average imports from 1821 to 1820 were 69,489,785, and from 1848 to 1852, 175,948,360. In 1821 the tonnage of the United States was only 1,298,958 tone, in 1852 it was 4, 188, 441 tons, showing that it has more than trebled in thirty years. Next to Great Britain we have a larger tonnage than any nation in the world, and in five years, at the pre sent rate of increase, we shall surpass Great Br d garden.

The value of our annual products exceeds thr thousand millions of dollars; of which only abou \$170,000,000 are sent abroad, leaving \$2,830, 000,000 to be consumed at home and interchang d among the States. At least \$600,000,000 thus interchanged in the glorions free trade sys-tem which prevails between the States of the Union. How small, after all, is our foreign trade, about which we legislate so much, and for the defence of which, and the collection of the duties pon it we spend so much, compared with the

The total debt of the several States, in 1851. was \$201,541,024, which was less, by some mil-lions, than it had been during the previous ten years. The value of property assessed in the same States was \$5,983,149,407, the real value being, however, \$7,068,157,779-a pretty good security, we think, for their debts, whether owing at home or abroad. The total population of the villages, towns and weighs 40 pounds. He is as elastic as the "In-din-rabber man," and performs a variety of feats.

and Baltimore contain a population of 1,214,000, the amount of whose real and personal property is \$702,000,000, or \$578 each. The property of the raral population is \$2,812,000, or about \$120 tal, has been resolved on. The Emperor's sanosch. From returns of the agricultural crops, it ap- 4th, had given great and general salisfaction, as pears, that we raise annually \$143,000,000 in wheat, \$391,200,000 in Indian corn, \$190,275,-000 in hay, \$70,840,000 in onte, \$78,125,000 in Irish potatoes, and \$129,000,000 in cotton ; the whole crop being \$1,752,583,042. No crop of present city. ours makes more noise in the world than cotton,

yet, when it is compared to other crops, such as wheat and Indian corn, and particularly with the wheat and indiant corn, and particularly with indi-whole annual crop, we see no reason, why it should take on so many airs; but we suppose the reason is, that it goes abroad a great deal, and, like traveled gentlemen, rather looks down appon the stay-at-hometics. Why, the animals slaughtered are worth quite as much as the cot-ton, bringing some \$183,000,000 per annum! One of the most useful of our crops, wine, is pet in lis infancy, the West having male only a little over 1,000,000 of gallons in 1861, worth about \$500,000; but the calification is increas

ing, and in a few years will be immense, cspe-cially when New Mexico and California, which are udmirably adapted to it, shall go into the siness. No portion of the trade of the Union has grown more rapidly, within a few years, than that con-nected with the steam marine. The tetal and ber of steam vessels now employed on our coast is 625, with a tennage of 212,500, and employ-

He assumes that we are grieved because his ben, adleu. little advertisement did not appear in the Post Railroad Opening to Carrollion. His little vanity is greatly mistaken in this re-The opening of Carroll Branch of the Cleve spect. We do not care a straw for it in a pecunary sense; but we do, and will object to the land and Pittsburgh Railroad produced wonderpropriety of an officer under the administration fal protement at the usually oriet village of oreating an extra expense merely to reward Carrollton. The Picayune of that place, a spicy, saucy little sheet, thus rejoices over the event : a slanderer of President PIERON. And what does this villifies say in his thanks to the Col-RAILBOAD Ores !-- On yesterday about cleven o'clock the whistle of the locametive was heard at a distance, and in a few minutes tramp, lector for a small advertisement? Listen to him. We quote from the Gazette : tramp it came thundering along, bringing a pas-senger car and several open cars loaded with "We may have been lad into errors, but we never publi-me word of Gen. Pierce, during the late contest, which w not believe to be true, and when we were convigced of e

one work of Gen. Frence, during the late content, which we did not believe to be true, and when we were convinced of error, we set install 12". Now, will. Mr. Hastings, the editor of the Union, dars to say that the Gazette is not one of Union, dars to say that the Gazette is not one of Union, dars to say that the Gazette is not one of the most virulent traducers of any paper publich-ed in the State? He cannot do it, with any ro-gard for veracity. But he paronizes the man who abused Gen. Preser, and now says that he never published a word about Gen. Preser which he did not believe to be true I. The President and Cabinet cannot but admire the Christian Conserved for wheat and produce is on the rise. forbearance of Mr. Hastings, when they find him conferring favors upon the men who slandere them. We have said more on this trifling out ject than we intended, but we cannot close with out quoting the following rich "recommend : "We recommend to the editor of the Post, to recollect the the day of his compotence has passed away." This is intended, no doubt, to alarm the ed-

itors of the Post, and to make them tremble at delay now in getting to a thoroughfare. Only think of it, we are in direct connexion with Phil the mighty influence of Mr. Hastings. But we are not in the least frightened. It is not in the power of the Union, or any other paper controlled by a cabal, to injury the Post. It has mel and overcome too many of these combinations o bogus democrats, to fear anything the Union can do against it. That office makes the fifth that has been started to break the Post down, but it has still gone on in its wonted course o prosperity. While we are convinced of this fact, we can complacently appreciate the motive that produced the angry snart of the Union. ceived as scourities for bills to be issued in pur-We seek no controversy with the Union, but it and all others may as well understand that they mour says : shall not misrepresent the motives that influence us in conducting our paper.

Dear me, but our neighbor, Deacon WHITE, is in a terrible bad humor! He rants ause a demand for the stocks of our cities, add and fames and frets "like ten furies," and inlargely to their value in market, and create an inducement on the part of municipal corporations to incur debts. I have with reluctance signed troduces the name of the senior of the Post nearly a dozen times, in an article which is runto incur abus. I have with relationse signal bills permitting some of our cities to borrow money for objects which are deemed of great importance to their interests, but this bill is more clearly in conflict with the purposes of the Constitution of the State, as it offers direct anning over with venom and vulgarity. We were no little astonished in reading this ridiculous display of bad temper; for, of late, we have been sed to entertain rather a good opinion of conragement to local corporations to contract debts. Is it expedient at this time, when a high-ly speculative state of feeling pervades the com-munity to encourage a disposition to incur lia-bilities by converting debt late a circulating methe Deacon. His carnest advocacy of our railroads, and his eloquent arguments in favor of "Country Homes," have led us to suppose that the devils had all worked their way out of him and run into the Obio river. But he appears to dium ?be the same "unclean thing" that we have so held up to public gaze, and evinces a determin

jion to continue in his ways of political wicked. Consul to Bordeaux, has politively declined the ness. We are sorry for this, for we had hoped that after the perfect overthrow and death of to Valparaiso; said to be worth some \$25,000 whiggery, the Deacon would abandon all those shameful practices which made him an object of | Gov.
