N. B.—Likenesses of sick or deceased persons taken in any part of the city.

DEAFNESS, Noises in the Head, and all disagreeable discharges from the car, speedily and permanmestic happiness.
It was Mr. P.'s custom to call his little grandson to his side morning and evening, and on his bended knees, and with his little hands clasped Omediado end Forwardir and raised to heaven, teach him to utter the simple prayers appropriate to lisping infancy.— From the President of Amherit College, EDWARD HITCHCICK, M. D. LL D. &c.
J. C. Avra. Sir-I have used your Cherry Pectural in my own case of deep-resid bronchitis, and am saliefed from its chemical constitution, that it is an admirable companion for the relief of laryngial and bronchid difficulties. If my ophalon, as in its superior character, can be of any services, One morning, the good old gentleman ventured to instruct him in the Lord's Prayer; he had advanced most successfully as far as the petition, "Give us this day our daily bread," when little Willie looked up, his eye sparkling with anima-tion and delight, and exclaimed: "O! Gan pa, put some butter on it!" Even the gravity of my jes:lm Corks: Corks: Corks: Corks: Torks: To Sarrday afternoon. It was a most delightful ride, and we can safely say that the read is the best constroned for normal photophorod. The sound part of the same and the same a Among the other distinguished authorities who have len their names to recommend this preparation as the bea income to them for affections of the lung, are a income to them for affections of the lung, are venerable friend yielded to this assault — Knick-erbocker. ler,
