DEATH OF GEN. HILEY.

Brigadier General RILEY died at Buffalo on Thursday evening. He was a gallant soldier, having served his country with distinguished honor in mafiy wars. From a biographical sketch in the New York Evening Post, we learn that Gen. R. was a native of St. Mary's county, the New York State line." Maryland, where he was born about the year 1790. In 1818 he entered Forsyth's regiment of riffemen, and in the spring of that year joined the army of Sackett's Harbor. In 1821, he was attached to the infantry, with the rank of coptain, and in 1823 was promoted to the grade of brevet major for his brave conduct in a battle with the Anichores Indians, on the Mississippi frontier. In 1829, as a reward for his valuable services and heroic conduct in guarding the Santa Fe traders on their march to and from St. Louis from the Indians, he was presented with a sword by the Legislature of Missourf. In 1831 he engaged in the Black Hawk war.

and remained with the army in that field until the termination of hostilities. In 1837 he received a fall Major's commission, and in the next year proceeded to Fort Gibson.
