HAIR BRUSHES, superior to anything of the kind ever before manufactured in the city. The best of workmen are employed to ornament them, and they make them in every respect equal to any manufactured in any of the Eastern cities.

Also, a large assortment of Flint, Varnish, Sash, Shoe, Horse, Dusting, Scrubbing, Brushes, and Whitewash Brushes.

Also, a fine variety of Tooth Nail and Brushes, for Varnish, Blenders, &c. &c.

All of which I will sell as low as they can be purchased in the Eastern market. All who doubt the above statement are most respectfully invited to call and judge for themselves.

N. B.—As I have commenced to compound medicine ready to the manufacture of Brushes, I feel that I can offer a great inducement as any manufacturer in the Union.
