Sheriff Megili stated to the Court that he had notified the jailor to discharge no one committed in default of a fine, when the discharge came from the Commissioners. He did not believe they possessed the right to use such authority tted and justified the salzure of Schwemble, on the and admitted and justified the infanter of Schwemble, on the ground that the person who discharged him had transcend-of his daty. Jailor Crawford proved that the Sheriff had Strean order to him to discharge no one committed on a fine, at the instance of the County Commissioners, testified thist if had been a custom to the County Commissioners, desided thist if had been a custom to the County Commissioners, desided thist if had been a custom to the County Commissioners office to act in the manuer the dist instances of factors. and ad he manner he did in the case of Schwemble. He said that by such action the County often recovered fines that otherwise would have been boarded out in the county prison.

Mr. Mahon and Shariff Magill addressed the Court in r gard to the matter. Judge Williams slated that there were some points of is

Judge Williams sinted that there ward some points of law which he wished to examine, and he would give his opinion this atternoon, at three o'clock. The issue in the case is simply this: There the Ommine sinces power to settle fines impassed on persona in cases of mistemennor, or does that privilege appartain exclusively to the person occurying the Sheitl' softward the private the private softward the softward the softward of the softward assault and battery: Reider, the prosecutor in the above case, was afterwards held to ball, on a charge of assault and battery, laid by

Carl Wilhelm Breichleiner. The assault took place in the . yard of Wolff's tavera. STRAMER MANCHISTER BURNT .- The stemmer Mancheste

lying near the Marine Hospital, was burnt to the water's edge, yesteriay atternoon, between twelve and one o'clock. It is not known how the fire originated. The boat was insured in the Delaware Mutual and Fire-

man's Insurance Company, for \$18,000. The loss is estimated at \$20,000. The Mancinster was about a year old, and was engaged trd at \$20,000.

the at \$20,000. The Manchester was about a year old, and was angeged last fall in the EL Louis and Pittsburgh trade. Ehe was owned by Capt. G. A. Rowman and J. A. Beicknecher, of Brownavile. Tillis DISEASE is now so common that thousands of in-struments are in use for, not only fis relief, but even its radical cure, most of which are entirely worthless, and und for the purpose designed. The instrument used in the cure of hermis or rupture is called a ratio, and should be well made, and well adapted to the broken parts, in order to give relief, or effect a cure. That a cure of rupture end be effected, I would advise any one to call on the underfigured, and he will give them evidence beyond all question of doubti. I have in several instances, during the satty are, cure de cases of rupture, some of both sides, and in the cases of children, almost ineritably, by the application of DR. HUBBABDS TilV38, an ingtrument that can be perfectly fitted to the parts, having a wooden, and engable of affording any amount of pressure that may be desired. It will not more from the parts to which it is adapted, and it affords a press-are, without pain, that no other Truns posses. -D. I would respectfully invite the attention of physi-clans, and those suffering from the discus, to this instru-tents. Particular attention given to the adaptation of these instruments. I also keep Body Braces, Abdominal Supporters, Ehonder

MEDICAL.

ment. Farthemar attention given to the anaptation in these instruments. I also keep Body Braces, Abdominal Supporters, Shoulder Braces, and all kinds of mochanical av illances for the cure of diserso. DR. GEO, H. KEYSEE, myl3zizwim No.140 Wood street.

Medicine, if it be not really so. A good medicine will live, become popular, and extend lis cales year after year, inspite of opposition. The people readily, find out its virtues, and the fame of them passes from mouth to mouth, with more rability than newspapers can spread it. A living wilner, testifying to thecure a me-dicine has made for him, is of far more service than any revenance adventising.
