The steamer Lady Eglington, the second boat of the line, was to leave Montreal on her return trip on Wednesday of last week, with a full cargo and about 65 passengers. She made the passage out from Liverpool to Quebeo in thirteen days and four hours, having stopped at St. Johns, Newfoundland, which added about one day to her voyage. The freight was discharged with dospatch, which proved quite gratifying to the Cannadians. In the winter season these boats are to ply between Liverpool and Portland. Pratt, in Attorney st., suddenly collapsed, blowing the rear wall and the roof of the building into Ridge street, be sides frightfully scalding four of the employees in the establishment, and facturing the skull of a grocer who was slitting upon his front stoop in Ridge street. The names of the injured men are Thomas Service, David Barry, Wm. Oronnard, G. Barry and Thomas Riley, all of whom are in a dangerous condition. Large fragments of the boiler fell upon the roofs of several houses in the vicinity, and also shattered a number of doors and windows. The cause of the accident was a want of water. ig that we will not discuss it. Congress to present the Constitution to this gov-burst out.
