Bradbury's Piano and Melodeon Warerooms,
No. 333 BROADWAY, NEW YORK.
FROM enlarging my Warerooms, I am enabled to keep a much greater assortment of instruments than heretofore. All Pianos furnished are of an elastic touch, and of an even quality, and deep, full, rich and purely vocal tone, qualities most desirable, inasmuch as the voice will submit less to the tone of the instrument. All my Instruments are fully warranted; a guarantee accompanies every bill of sale. The Hotel being conducted on the European plan, has the most elegant and spacious Saloon in the United States, together with some thirty private eating rooms attached to the establishment; families, or parties, can be furnished with meals at any hour of the day or evening.
The House is centrally located, and within forty yards of the New Haven Railroad Depot, where the porters of the House are always in constant attendance.
Passengers arriving in New York can immediately walk to the House, deliver their checks at the office, and have their baggage conveyed to their Rooms, without the expense of hackney coaches, (which is no small item in New York.)
The House is furnished with a fine suit of Parlors on Broadway first floor, and all the modern improvements, which tend to afford the traveler pleasure and comfort. It is the very centre of all the principal places of amusement, and in fact, every way calculated to please gentlemen travelling with their families for pleasure, or men of business that are so occupied as to be unable to dine at set hours. Meals sent to rooms without extra charge.
