Broadway Piano and Melodeon Warerooms,
NO. 423 BROADWAY, NEW YORK.
FROST enlarging my Warerooms, I am enabled to keep a much greater assortment of Instruments than heretofore. All Pianos furnished are of an elastic touch, and of an even quality, and deep, full, rich, and purely vocal tone, qualities unattainable, however, as the voice will assimilate to the tone of the instrument. All my Instruments are fully warranted, a guarantee accompanies every Bill of sale, and are sold as low as can be purchased elsewhere. Second hand Pianos at all prices.
☞ *A few Inventions.*—The Organ Melodeon, with two Banks of Keys, the only thing of the kind in the country, having two *stops, complete*, swell draw stops, &c., a sweet and powerful instrument, pronounced by Organists to be superior for churches or Organ practice to the modern stool Organ, and are sold as low as can be purchased elsewhere. Second hand Pianos at all prices.
