900 TONS BURTHEN,
Having made two successful voyages from China, each in the very short period of 101 days, has thoroughly established her reputation for fast sailing, and will be dispatched for
MELBOURNE, AUSTRALIA,
About the 25th of August. The Ships of the Pioneer Line have made remarkably quick and healthy voyages; losing only one passenger among 600 that sailed in the first five ships, whereas it appears from the report of the Emigration Commissioners that the mortality on board English ships to Australia has equalled 4.00 per cent. This very gratifying result shows that no care and expense have been spared in selecting, victualling, and provisioning the ships of the Pioneer Line.
The INCA will only carry a limited number of passengers, so as to moderate rates as are consistent with justice to passengers and owners.
