The fact Reivs and Cattle Rei RALLY, DEMOCRATEL We dopy the following from the Weshington Union, or Dec. 12 Dring, of Det. 12.

Franking and Dring The elections in these two states seem out in a faw days, and the results are looked to with interest by the democracy of the Union. At this particular time, when our friends in every State are mortified and charrined that the spirit of defection and discension has opened afresh the old wounds of the New York democracy, and when whigism has plucked up courage enough to claim an existence among the things that are, it becomes necessary that Pennsylvania and Ohio should dispel all cause of concur from the former, and convince the Interest that it really belong to the things that were.
