The furnace being prepared, the Safe was placed inside thereof with Books, papers and some articles of the family of the Safe maker, the second and the fire kindled at a quarter past 5 o'clock, and in 6 minutes the roof fell in, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied in consuming the Safe was sufficient, when it was then pulled down, Safe cooled, and door opened—the books, papers and money safe.
