reardy. From the Greenshabyh Intelligencer, May 26, 1852. This weather for a week past has been guile cool, and, to us, very unpleasant. Residen being cool, and unpleasant in plast way, it is exceedingly changrable. On Wednesday, the 18th, the thermometer stool between 80 and 90 in the shade most of the day. The naxt day, or creats and free wave necessary to comfort; and on Friday morning there wave quite a hard frost in this vicinity, though nothing was seriously injared thereby. As a convergence of these and den changes, may people are afflicted with had colds and cougis. We observed a lady at Church the other wraning built an anoped with a hard cough that we really fell ahrmed for her seriety; so much so, that it was with some effort we could refrain from "talkin" out in meeting," and recommending hor forthwith to procure a builts of Keyser's Pectoral Syrup, to give ther immediate relief—to be had at John MicCleiland's store.
