LIPPINCOTT & BARR,
(LATE J. S. SCHOLES & CO.)
MANUFACTURERS OF PEPPER'S FIRE PROOF SAFES, No. 67 Second Street, between Wood and Smithfield, Tuesday afternoon, July 25, 1848, the undersigned were called upon by Messrs. Lippincott & Barr, to witness an honest and fair test of one of their Fireproof Safes. The furnace being prepared, the Safe was placed inside thereof with books, papers and some money; when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in about time the Safe was red hot, and continued till half past 5 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books and papers and money safe. The heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgments, entirely fire proof.

MELBOURNE, AUSTRALIA,
About the 25th of August. The Ships of the Pioneer Line have made remarkably quick and healthy voyages; losing only one passenger among 950 that sailed in the first five ships, whereas it appears from the report of the Emigration Commissioners that the mortality on board English ships to Australia has equalled 4.50 per cent. This very gratifying result shows that no care and expense have been spared in selecting, ventilating, and provisioning the ships of the Pioneer Line.
The INCA will only carry a limited number of passengers, at as moderate rates as are consistent with justice to passengers and owners.

Having made two splendid voyages from China, each in the very short period of 101 days, has thoroughly established her reputation for fast sailing, and will be dispatched for
MELBOURNE, AUSTRALIA,
About the 25th of August. The Ships of the Pioneer Line have made remarkably quick and healthy voyages; losing only one passenger among 950 that sailed in the first five ships, whereas it appears from the report of the Emigration Commissioners that the mortality on board English ships to Australia has equalled 4.50 per cent. This very gratifying result shows that no care and expense have been spared in selecting, ventilating, and provisioning the ships of the Pioneer Line.
The INCA will only carry a limited number of passengers, at as moderate rates as are consistent with justice to passengers and owners.
For freight or passage, apply on board, at Pier 12, E. R., or to
