This certifies that I have for a number of years been acquinted with the composition and mode of manufacture of MORSE'S COMPOUND SYRUP OF YELLOW DOCK ROOT. I have also been acquiainted with its modus operandi in dieses, and can say that in all respects it is admirably estimalated to remedy that class of Disease for which it was designed. It is especially valuable in NDIGESTION and all its attendant symptoms, it excite to healthy action the LIVER, removes Torpor, and nactivity of this OHGAN, and stimulates healthy action in all the system. As a DEPU-RATOR, or purifier of the Blood, it has no superfor.

Valuable Farm for Sale,

A. In Petters Townshift?, Washington Counhis Try. Penna.—The undersigned where to dispose of
this valuable Farm, situated in one of the most thriving, fertile and desimble sections of Washington county—
in a neighborhood proveblad for its good morals and intelligenes, and smill-simily convenient to good markets. This
land lies within two miles of the proposed routs for the
Chartiers Valley Railroad, an improvement which will certainly be madeduring the coming year. It contains about
145 ACRES, more or less: of which there are about 110
ACRES CLEARED, and in a high state of cultivation, and
finely improved. The uncleared land abounds in good Timber, and the whole is abundantly supplied with water. It
adjoins lands of William Park, Daniel Bell, and others.
The improvements are TWO GOOD DWELLING HOUSES,
one Brick and the other Frame; a Frame Balkin, and two
Frame ETABLES, with other necessary out-buildings.
There is an abundance of fine FRUIT on this property.
This valuable Farm will be sold on accommodating terms.
For any further information in reference to it, application
can be made to the subscriber, in Canonsburg.

PLIEMEN DEVERE.—THE GREAT WORK CONPLETE.—

Ellen Devero; or, The Way of the Will—by the author of "Amy Lawrence," "Stanfield Hall," "Gus Howard," "Minnie Gray," &c. Beautifully illustrated.

This is another new novel of the gifted author of "Gus Howard," and surpasses, in point of ingenuity of intrigue and skillful combination, any of this writer's former ellorts, it has had immenes success in London, where it has rin through one of the weekly journals of that of y, the circulation of which has been increased many thousands by its great popularity. Whoever has admired the deep interest and dramatic descriptions in "Stanfield Hall" » od "Amy Lawrence," must certainly pronounce Harry Ashton to be equally elicitous and effective in these points. The author, without in the least imitating, has strongly rominized us of the wit, gallantry and adventurous spirit so conspicuous in Lever's works; and the work is destined to have a good call.

Sepilo RAHNESTOCK'S VERMIFUGE USED AT THE LAST MOMENT WITH SUCCESS.—

Vashisdron Coursy, Pa., Nov., 1852.

A neighbor of mine had a child that was very sick, and the physician att-nding it exerted all his skill for its relief, but without avail. They sent to Canneburg for Dr. La. who came over to our place, and upon an examination of the case, approved of all that the attending physician had done, but could do nothing more for it. The child was given up. Dr. L. then said that there could be no risk in trying Fahnestock's Vermifuge, and thought they had, better get some. They sent to my store, and procured some. After administering the first bottle, when it passed between TWO AND THREE HUNDRED WORMS, and immediately commenced importing, and was completely restored (the alth.) YOUNG, BTEVENSON & LOVE.
