MORNONIAM IN WALES .--- An English paper states that the ranks of the adherents of Mon nonism are at present being greatly strength monism are at present being greatly strength-ened, especially in Carmarthenshire, Gamorhan-shire, and other important districts in South Wales. Numbers of these people have lately joined the sect, including many persons of high

fix. He had crawled upon the shelf, attracted by a number of eggs, which were scattered about. One of them he had swallowed, and in order to respectability and middle class station. A well known Welsh lecturer, named Robyn Dhu, whose influence with the people is very great, has late-ly joined their ranks, and his eloquence seemsnistible. Immense numbers have lately left South Wales for the Salt Lake, and many others are now preparing for departure in the

spring. Is not Mormonism a very carious affair? delusion of the most flagrant kind, and yet it enakeship thus found himself unable to advance or retreat, and in floundering about to escape gains adherents by scores and hundreds, wherever its doctrines are preached. Its end is a mystory yet to be solved.

A BUSHEL OF MONEY.—The "run" on Ellis & Sturges, at Cindinnati, was kept up on Thurs-day morning, to some extent, by the small de-positors, as on the day previous. During the morning, no little excitement was created by the appearance of Dr. Smead, of the Citigen's Bank, preceded by two persons carrying a bushel basked, full of bank notes, which they proceed they novel by they present to image the counter, and place at the disposal of Messrs. E. & S. This sudden and unexpected movement rather nonplussed the for owd, and many of them retired, fully satisfied that there was no occasion for alarm, as the piles of money stacked up before them—being the aforeaid bushel, and e heap?
